NEGROES BURNED AND LYNCHED

All of Them Look Alike to Angry Pierce City Mob—Homes Destroyed and All Forced to Flee For Their Lives.

SPRINGFIELD, Mo., Aug. 20.—Pierce City, where Will Godley and French Godley, the former's grandfather, were lynched last night as a result of the murder of Miss Caselle Wilde, is today in the hands of hundreds of armed men who are intent on driving all negroes from town. All negro houses in the city are being fired by the whites, and one negro, Pete Hampton, is said to have been cremated in his home.

The mob today broke into the arsenal of the local military company, and is now in possession of improved rifles. So much excitement prevails that it is almost impossible to secure a correct story of the situation over the wires, and correspondents have left for the scene.

Later—Most of the negroes have left Pierce City, abandoning their homes, which have been burned.

The excitement that attended and followed the lynching of the Godleys all night and this morning found the enraged white people more determined than ever to rid the city and vicinity of negroes. After stringing young Godley up to a pole and riddling his body with bullets, the mob went to the house of French Godley, the young man's grandfather, and shot him to death. They then bombarded Ike Carter's house, in which were Pete and Robert Hampton, negroes. Pete Hampton, 75 years old, was burned to death. His wife and Robert Hampton escaped through the flames.

The mob then marched from place to place, burning negro houses and firing into them. The negroes fled in all directions, many taking refuge in the woods, while others are coming as far as Springfield to find places of safety. The officers telephoned to Monett and Aurora, near-by towns for help.

At 10 o'clock this morning the city was still in the hands of the mob, which finally broke into the arsenal of the Pierce City militia company and abstracted all the state rifles to be found there. Every train to Pierce City is bringing excited crowds that add to the general confusion.

Body Recovered.
SALEM, Aug. 20.—The body of Fred Rapp, the young man who was drowned in the Willamette river while bathing last Thursday afternoon, was recovered yesterday shortly after noon by the crew of the O. C. T. Co.'s steamer Eugene, on their way up from Newberg, about one and one-half miles below Lincoln, five miles below where he was drowned.

The body was found floating in the river, face downward. The boat hands fastened the body to a tree on the Marion county bank of the river by means of a rope, and upon the steamer's arrival in this city, Coroner Lane was notified, but deeming it unnecessary to hold an inquest, he instructed undertakers to bring the body to this city, which they did, arriving about 7 o'clock last evening. It was taken to their undertaking parlors on Court street and prepared for burial.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

Does it Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Buschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. It's recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac.

Millions in Bad Money.

SAN FRANCISCO, Aug. 20.—Secret service officers have arrested in this city three men accused of passing bank notes purporting to be issued by the State Bank of New Brunswick, N. J., an institution long defunct. The plates had never been destroyed and in the hands of some criminals have furnished over 1,000,000 notes in denominations from \$1 to \$20, which have been distributed all over the United States. On information furnished by Frank J. Perry, who was captured a week ago, they have just taken into custody William Hogan and E. W. Smith. The latter who, according to Perry is the leader of the gang, has been eight years chief clerk of the Federal Life Savings service in this city. He has been released on bail, but the other two men are in jail. Other arrests are expected to follow today.

A Fireman's Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa., "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters and, after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by G. C. Blakeley, the druggist. Price 50 cents. 2 listed in the suit on the bond of George W. Davis, ex-clerk of the school land board, today examined the stipulation filed by them on August 1st, and found that it contained the errors indicated in today's Oregonian. The figures will be corrected so as to show that Davis was short in his accounts nearly \$31,000 instead of ahead \$29,000, as stated in the stipulation. As stated in yesterday's correspondence, it was intended that the stipulations should show a shortage in accordance with the facts.

Played Out.

Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores are all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley, the druggist.

AUGUST BUCHLER, Prop.
Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
