Charles W. Nordstrom Hanged at Seattle Yesterday—Committed His Cold-Blooded Murder Ten Years Ago.

SEATTLE, Aug. 23.—Charles W. Nordstrom was hanged this morning at 9:49 o'clock for the murder, on November 27, 1891, of William Mason.

From early morning the condemned man seemed to fully realize his position, and while ministers and members of the Salvation Army prayed with him, he cried continually. Shortly after 9:30 Nordstrom was brought from the room in which he had been, just adjoining the execution room. It required the assistance of four men to keep him on his feet.

When he was taken into the presence of the scaffold he broke down entirely. Crying in a childish voice, and praying that his life be spared him, he collapsed entirely and fell to the floor. Efforts to raise him and keep him on his feet were fruitless, and at last Sheriff Cadihee ordered that a board be brought. To this Nordstrom was tied. It required six men to hold him while this was being done. While being tied to the board, Nordstrom continued to cry in a loud voice. Several times he seemed to speak, but his words were unintelligible. The six men who had held him raised his body on the board and, with great effort, succeeded in getting him onto the gallows and onto the fatal trap. Here he was stood upright, four of the men standing on the four sides of the trap and holding him.

Within two seconds after the condemned man was in place the trap was sprung and Nordstrom had paid the penalty of his crime. The trap was sprung at 9:49, and Nordstrom was pronounced dead at 10:02.

The crime for which Charles W. Nordstrom was hanged this morning was one of the most cold-blooded and unmitigated in the criminal history of the Northwest, and was committed over nine years ago, the victim being Willie Mason, one of the two sons of Thomas Mason, a wealthy farmer living in the vicinity of Cedar Mountain. At the time of the murder the young man was 21 years of age, and was unmarried.

Mrs. S. H. Allport, Johnstown, Pa., says: "Our little girl almost strangled to death with croup. The doctors said she couldn't live but she was instantly relieved by One Minute Cough Cure. Clarke & Falk's P. O. Pharmacy."

More Girls To Strike.

NEW YORK, Aug. 23.—Two thousand five hundred girl shirtwaist-makers are now on the strike at seven workshops in this city, and it is said that five more strikes will be ordered today, involving 600 additional workmen.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

Escaped From Insane Asylum.

SEATTLE, Aug. 23.—Erick Hendrickson, an insane man, who made a frenzied attack on the officer arresting him two years ago, has been allowed to escape from the Western Washington asylum at Steilacoom. The madman obtained his liberty August 20th, and is still at large. Notice to this effect was sent out from the asylum, and a copy of this notification was today received by the probate department of the county clerk's office.

Says He Was Tortured.

"I suffered such pain from corns I could hardly walk," writes H. Robinson, Hillsborough, Ill. "but Buckle's Arnica Salve completely cured them." Acts like magic on sprains, bruises, cuts, sores, scalds, burns, boils, ulcers. Perfect healer of skin diseases and bites. Cure guaranteed by G. C. Blakeley, the druggist. 25c.

Living Wholly on Faith.

ASTORIA, Aug. 22.—Fred Hartman, the Salvation Army man who was sentenced to 25 days in the County Jail yesterday for illegal fishing, refuses to eat the jail fare, is living wholly on faith. He says he has broken none of God's laws, and does not consider it a crime to break any of the laws made by man. He also asserts that he is a Christian and will not eat any of the "unchristian" food that is served to prisoners. The man is no doubt partially unbalanced mentally.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at G. C. Blakeley's drug store.

China Seeks Enlightenment.

SAN FRANCISCO, Aug. 23.—Six students in high standing from the Pei Yong College, at Canton, who arrived from China several days ago on the steamer Gaelic, have been landed by Chinese bureau officials, and will enter the University of California to complete classical and scientific educations. These students were selected by the Chinese Government to study modern American methods, with a view of spreading them in their native land.

A Fireman's Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters and, after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by G. C. Blakeley, the druggist. Price 50 cents. 2

Lincoln Sale

Sale

Yes, Abraham Lincoln,—grand Old Abe. The idol of all honest men. The incarnation of truthfulness, fidelity and justice. Verily—a name to conjure with.

No man, or set of men on the face of this earth holds the illustrious name in greater veneration than the partners of this concern, and when we tell you this sale is named "Lincoln Sale," in order to impress on you the **absolute truthfulness of the statements used herein**,—you may believe us, for the man who'd use Abe Lincoln's name as a certificate of character for a shady statement is a horse thief, and you know that is not our measure.

Too much faith in Spring weather leaves us today with four thousand dollars worth more stock than we had last year this time. This won't do,—shoes don't improve with age, and what is more we need that money for fall goods. "Lincoln Sale" will be the most uncommon **price cutting** time.

Children and blind men can come and be as sure of real bargains as they are of their lives.

This sale will especially appeal to reasonable folks who can tell a straight story when they hear it—to economical people who know a cut price when they see it, and to doubting Thomases who have been fooled much and often by counterfeit price cutting:

"Lincoln Sale" begins Monday at 9 a. m.

On the 90c Table

there is an uncommon lot of Children's Lace and Button Shoes, in black and chocolate kid, with good, comfortable broad toes—capped. Sizes run from 8 to 11; values to \$1.75; and sizes from 5 to 8, for little tots—good strong soles, roomy toes; black or tans.

There are Boys' Shoes—stout and honest, but not all sizes. A few pair of blacks, also a few tans; sizes to fit most boys; Shoes that were \$1.35 and \$1.75.

There are also a few pair of Ladies' Black Kid Opera Slippers; cheap at the regular price of \$1.25. Some finer Oxfords in small sizes; narrow toes; were \$2.50 and over.

On the \$2.50 Table

you will find a line each of Ladies' and Men's Stylish, Up-to-date Shoes, suitable for fall wear.

The price should not be a cent less than \$3.50—what we intended them to sell for at time of purchase.

The Ladies' Shoe has a medium sole, broad round toe, patent leather tip, and is made of a good kid stock.

The Men's Shoe is a vici kid—made on the popular broad last and welt sole; has all the lines and curves of a \$5 Shoe.

On the \$1.20 Table

is a lot of Ladies' Kid Button Shoes that are worth the regular prices of \$2.50, \$2.00 and \$1.75 every day in the week or they are not worth a cent.

A batch of Men's Shoes that still carry a \$1.50 tag—yes, and several pair are \$2.50 goods. The only drawback being that they are in large sizes only—9, 10 and 11s.

Shoes for little girls on this table, too—sizes running from 11½ to 2; nice dressy Shoes that will be just right for school wear; good materials, honestly made. They were \$1.75 and \$2.00—tans and black.

Ladies' fine 4-strap black kid Sandals; French heel. Were \$2.25; if you are in time you may get your size.

On the \$2.00 Table

are shoes for men and shoes for women. Good enough for anybody—for they are bang-up good ones. The price on the cheapest shoe on this table was \$3. Some of them \$3.50 and still more.

Men's patent calf Oxford ties; some tan calf skin shoes and some vicis. Some extra good things in ladies' black kid street shoes—welt soles, military heels and fashionable round toes, pat. tipped.

The \$2.15 Table

is covered with Pingree's composite \$3.00 shoes for women—that never sold for less than \$3. Good styles—every one of them.
