**Does It Pay to Buy Cheap?**

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschec's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac.

Portland, Aug. 10. (To the Editor.)—Homer de Morrison, occultist, located by vision the billion stolen from the Selby Smelting Works. In behalf of occult science he immediately communicated by letter the facts to Mr. A. J. Ralston, owner of the Selby Works. The reports received last night prove his statements correct.

Mrs. FRANCIS PARLOW.  
"It is pleasing to be assured that the gold stolen from the Selby Smelting Works was located by vision by a Portland occultist. This proves that the story of the confession of the thief and that the assistance was required in recovering the gold was a base California invention for the purpose of depriving Oregon of just glory."—(Editor Portland Oregonian.)
