### BREAKS RELATIONS WITH TURKEY

Sultan Fails to Keep His Numerous Promises, and Ambassador Constantans Leaves.

PARIS, Aug. 27.—A semi-official note has been issued, announcing that as the Porte had not carried out its undertakings with regard to the disputed questions between the French and Ottoman governments, M. Constantans, the French ambassador, acting under instructions from the foreign minister of France, left Constantinople August 26th, the date named in his last communication to the Porte on the subject.

An arrangement had been effected August 17th, and its terms drafted by the Ottoman foreign minister with the approval of the sultan, who had promised M. Constantans that the text should be handed to him August 18th. M. Constantans telegraphed to Paris August 19th that none of the promises had been fulfilled, and M. Delcasse, minister of foreign affairs, August 21st telegraphed M. Constantans that in view of so flagrant a disregard of the undertakings, the negotiations could no longer be continued, and requested M. Constantans to inform the Porte that he had received orders to leave Constantinople.

**Parents Should Be Censured.**

VANCOUVER, Wash., Aug. 26.—Fred Heifner, the boy who fired the shot which resulted in the death of little Jocelyn Canby last Saturday, was exonerated of intentional blame by the coroner's jury which held an inquest on the body yesterday. A verdict was returned that the boy met his death accidentally, from the effects of a shot from a 22-caliber rifle in the hands of Fred Heifner. The parents of young Heifner and his companion, Wilbur Caskey, were declared by the jury to be deserving of severe censure for permitting boys of their age the unrestricted use of firearms.

**Does It Pay to Buy Cheap?**

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boechee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac. 2

**Record on Marriages.**

INDEPENDENCE, Or., Aug. 27.—Rev. E. J. Thompson, D. D., of this city, has a record that is unequalled by any minister in any of the smaller places in Oregon. In a recent conversation, Dr. Thompson made the assertion that he had united in marriage upward of 1000 couples, and that of this number 250 couples hailed from Benton county's metropolis, Corvallis.

**Lincoln**
**Sale**

Yes, Abraham Lincoln,—grand Old Abe. The idol of all honest men. The incarnation of truthfulness, fidelity and justice. Verily—a name to conjure with.

No man, or set of men on the face of this earth holds the illustrious name in greater veneration than the partners of this concern, and when we tell you this sale is named "Lincoln Sale," in order to impress on you the **absolute truthfulness of the statements used herein**,—you may believe us, for the man who'd use Abe Lincoln's name as a certificate of character for a shady statement is a horse thief, and you know that is not our measure.

Too much faith in Spring weather leaves us today with four thousand dollars worth more stock than we had last year this time. This won't do,—shoes don't improve with age, and what is more we need that money for fall goods. "Lincoln Sale" will be the most uncommon **price cutting** time.

Children and blind men can come and be as sure of real bargains as they are of their lives.

This sale will especially appeal to reasonable folks who can tell a straight story when they hear it—to economical people who know a cut price when they see it, and to doubting Thomases who have been fooled much and often by counterfeit price cutting:

**Lincoln Sale now on---and will continue all week.**

**Hoarded Gold and Starved to Death.**

NEW YORK, Aug. 27.—An old man named Paddy Kearns died yesterday in Tarrytown, literally of starvation and neglect. In the house in which he had lived alone for more than fifty years, bank books showing deposits of \$7000 were found. The old man is believed to have had a considerable amount of ready money and some jewelry hidden around the house. He came to this country from Ireland in 1849.

**Sixty-five Bushels to An Acre.**

COLFAX, Wash., Aug. 26.—Word comes from St. John that an average yield of sixty bushels, machine measure, which means sixty-five bushels actual weight, was threshed from a field of 120 acres on the Van Decarr farm, seven miles southeast of St. John. The wheat was Red Russian, and this is the largest yield ever known for that variety and the best yet reported in the county for any variety.

**Desire to Come Home.**

SAN FRANCISCO, Aug. 27.—Officers of the steamer St. Paul bring the information that at least 6000 or 7000 persons intend to come back to the United States from Nome the present season, though it is doubtful whether the steamers now plying in Alaska will be able to bring such a large number before navigation closes.
