Does it Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but relieves inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac.

We offer for a limited period the twice-a-week CHRONICLE, price \$1.50, and the Weekly Oregonian, price \$1.50, both papers for \$2 a year. Subscriptions under this offer must be paid in advance.

Clark and Falk have just received a full line of fresh Velox papers and developers, the same as used by Mr. Lovick in his recent demonstration at our store.
