Demonstration by Danish Liberals at Copenhagen-The Czar and Czarina Arrive in Denmark.

COPENHAGEN, Sept. 1 .- At noon today King Christian witnessed from Amalienborg Palace a notable demonstration by the liberals in his honor. Eight thousand persons passed in review. The king, in the presence of Queen Alexandra, King George, the Dowager Czarina and other royal personages, received a special deputation, who thanked him for reposing confidence in the people and appointing a Liberal Ministry. In the course of a gracious speech King Christian said the ministry might rest assured of every support on his part, and he trusted the majority of the people would support them in the much more difficult task as responsible government leaders. Amid great enthusiasm His Majesty then proceeded to one of the balconies and proposed a cheer for "our beloved father-

At the state banquet there were 2200 guests. Br. Duentzer, the premier, in the presence of all the other members of the cabinet, outlined his political programme, including tax reform and reforms in the system of judicature. He characterized the appointment of the new ministry as a practical proof "that self-government by the people will now be carried on through their elected representatives."

## THE KING SCHOOL Books Free of Costaa

The opening of school days are always of more or less expense to parents. It is either new clothes, or new books-or both; and where there is a large family to provide for, the cost is no trifle. Here is where we intend to benefit you.

It is needless to dwell on the fact that the boys' clothes we sell are of the satisfactory kind. If they weren't, we could not sell to the same people year in and year out. It takes honest goods to stand the strain.

Our boys' clothing this fall is the same brand we have handled heretofore—our assortment as large, and the prices just a little lower.

As a special inducement—we offer-until Sept. 12th-a refund of ten per cent. on any Boys' or Young Men's Suit, Overcoat or pair of Pants,—this amount redeemable in school books, for which an order will be given you on your book store.

For reference, we publish in the space opposite, a revised list of the books adopted by the board of directors for this coming term of school. Any copy listed can be had through this store of your local dealer—as a premium on purchases in our boys' clothing department. The value of the book depends, of course, on the amount of your purchases.
