

Distinguished Testimony

No secret society in the world stands higher in noble aims and charitable accomplishments than the Knights of Pythias. That order is doing great good, and one of its finest institutions is the Ohio Pythian Home, at Springfield, Ohio, which is ably presided over by Superintendent Le Fevre and his wife, Mrs. Callie I. Le Fevre, the matron. The latter has recently written a letter, which will command widespread attention because of the prominence of the writer. It is as follows:—

CALLIE I. LE FEVRE, Matron Ohio Pythian Home.

Messrs. W. H. Hooker & Co., New York. Last year I used Acker's English Remedy at the suggestion of a friend, for a serious, long-standing throat difficulty and extremely hard cough. Had used many well-spoken of preparations without relief. I can honestly say that Acker's English Remedy removed the difficulty and stopped the cough. I did not purchase or use more than three bottles, and at least one-half of the last is still on hand. I also consulted physicians with no permanent results.

The friend to whom Mrs. Le Fevre refers as having suggested Acker's English Remedy is Mrs. W. B. Chilton, wife of the president of the Troy Transfer Co., of Troy, Ohio, where this remedy has accomplished many other cures in Throat and Lung Troubles. In conversation with an acquaintance Mrs. Le Fevre also said: "If you will call on Mr. W. H. Schauss, a prominent china and art merchant of Springfield, Ohio, you will find that he, too, has had any amount of experience with Acker's English Remedy in his family, and thinks they cannot keep house without it."

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure, and \$1 a bottle in United States and Canada. In England, \$1.50 a bottle, and 4s 6d in other countries. W. H. HOOKER & Co., Proprietors, New York. We warrant the above guarantee.

On Wednesday evening, Sept. 15, the Portland carnival will open in a brilliant array of splendor such as is seldom seen in the Northwest. The great exposition building will be illuminated by nearly 3500 electric lights, while the adjoining Multnomah field, with its five acres, will have lights equaling 40,000 candle-power. The carnival will afford a whole month of pleasure and interesting instructions. The railroads and steamboats are going to carry people to and from the carnival at one and one-third fare for the round trip, and their excursion tickets will be good for 7 days. There will not be a dull moment at the carnival—some sort of entertainment will be going on all the time, afternoon and evening, with two full military bands discoursing music. The array of attractions will be unsurpassed, and the carnival will last a month.

Located by Vision.

Portland, Aug. 15. To the Editor:—Homer de Morrison, located by vision the gold stolen from the Selby Smelting Works.
