PRESIDENT DEAD

End Came at 2:15 A. M.

His Closing Hours Without Pain.

FRIENDS AT BEDSIDE

Mrs. McKinley Not in the Death Chamber at the Time.

President's Last Words Were: "Good-bye, All; Good bye. It Is God's Way; His Will Be Done."

MILBURN HOUSE, BUFFALO, Sept. 14.—President McKinley died at 2:15 a. m. He had been unconscious most of the time since 7:50 p. m. His last conscious hour on earth was spent with the wife to whom he devoted a life time of care. He died unattended by a minister of the gospel, but his last words were a humble submission to the will of the God in whom he believed. He was reconciled to the cruel fate to which an assassin's bullet had condemned him and faced death in the same spirit of calmness which has marked his long and honorable career.

His last conscious words, reduced to writing by Dr. Mann, who stood at his bedside when they were uttered, were: "Good-bye all, good-bye. It is God's way. His will be done."

His relatives and the members of his official family were at the Milburn House, except Secretary Wilson, who did not avail himself of the opportunity, and some of his personal and political friends took leave of him. This painful ceremony was simple. His friends came to the door of the sick room, took a longing glance at him and turned tearfully away.

THE PARTING WITH HIS WIFE. He was practically unconscious during this time. But powerful heart stimulants, including oxygen, were employed to restore him to consciousness for his final parting with his wife. He asked for her and she sat at his side and held his hand. He consoled her and bade her good-bye. She went through the heart-breaking scene with the same bravery and fortitude with which she has borne the grief of the tragedy which ended his life.

The immediate cause of the president's death is undetermined. His physicians disagreed and it will probably require an autopsy to fix the exact cause. The president's remains will be taken to Washington and there will be a state funeral.

State is Ready to Pay. SALEM, Sept. 12.—State Treasurer Moore today issued a call for all out-

standing scalp bounty warrants indorsed prior to January 1, 1901. Stated in round numbers, the total amount of bounty warrants issued under the old law was \$120,000. Upon these there is due about \$12,000 interest, making a total of \$132,000. The last legislature levied a tax of one mill, which produced approximately \$117,000, the last of which sum is now coming into the state treasury from the several counties. It will thus be seen that the amount of money raised on the scalp bounty tax will lack \$15,000 or more of paying off the warrants. This amount will come before the next legislature as a deficit.

As was shown through The Oregonian some time ago, the demand upon the scalp bounty fund under the new law bids fair to exceed the appropriation by a considerable sum. It will not be surprising therefore, if the next legislature finds itself confronted with a demand for relief under two scalp bounty-laws. The state appropriation is \$50,000 under the new law, and the counties must pay one-third of the bounties. When the fund is exhausted Secretary of State Dunbar will cease to issue warrants. But the counties which have paid out scalp money in anticipation of reimbursement from the state will be before the legislature for an appropriation, and as many of the counties will be interested, it may be expected that the members of the legislature will give their support to anything asked for in that time.

Worked at Wilmington. WILMINGTON, Del., Sept. 13.—According to the story told by Frank Niedoyk, a Pole, President McKinley's assassin once worked in Wilmington. Niedoyk said that a young man who gave his name as Leon Czolgosz arrived here on a freight train about six years ago and obtained work as a coppersmith at the plant of the Harlan Hollingsworth Company, boatbuilders. He was receiving \$22 a week, but left his job in a few weeks on the pretext that he was not getting money enough. After working a few days at house-painting, he left the city. Niedoyk is positive as to the identity of the man, as he boarded in the same house with him and readily recognized him in the pictures of the assassin now being published.

Most Arrested. NEW YORK, Sept. 13.—Johann Most, who was arrested last night on the charge of circulating incendiary literature, calculated to incite unlawful acts, was arraigned in police court today. At the prisoner's request, his examination was set for Monday, September 16th. Most was locked up in default of \$1000 bail.

Gifford's Fotos Never Fade.

Son of Oom Paul Has Surrendered. LONDON, Sept. 13.—A dispatch from Lord Kitchener, dated Pretoria, announces that C. Krugar, son of the ex-president of the Transvaal, and Captain Peferis have surrendered.

Lord Kitchener has sent King Edward, as Colonel-in-Chief of the Gordon Highlanders, an account of an incident that strongly recalls the storming of Dargal Heights by that regiment. Lord Kitchener says that after surrendering Commandant De Villiers informed him that during the Boer attack of July 4th on Watson Spruit, the Highlanders behaved with the utmost gallantry.

"The last four men, though completely surrendered and without cover, continued to fire until three men were killed and the fourth was wounded. On the Boers asking the survivor the reason why they had not surrendered he replied: "Why, man, we are Gordon Highlanders."

Plot to Kill Roosevelt.

BERLIN, N. H., Sept. 13.—Learning that a man who had left here this forenoon for New York had declared that he was on his way to Washington to kill Vice-President Roosevelt, Chief of Police Younglis has telegraphed the chief of police of New York to look out for him. The man was a foreigner. He tried to buy a ticket to Washington, but could not do so and bought one for New York.

NEW YORK, Sept. 13.—Captain Titus, chief of detectives of this city, said he had received a dispatch from the chief of police at Berlin, giving the same information as that contained in the foregoing dispatch from Berlin. The dispatch described the man as being five feet six inches tall, smooth face, wearing a black sack coat and black derby hat. Captain Titus said he had detailed men at all the railroad stations to watch for the man.

North Pole Ships Are Heard From.

CHRISTIANIA, Sept. 13.—A message, dated August 5th, and received by way of Hammerfest, from Elyn B. Baldwin, head of the Baldwin-Zsigler North Pole expedition, says:

"America, latitude 78, longitude 38. Seeking passage northward through ice. All well."

NORTH SIDNEY, C. B., Sept. 13.—The Peary Arctic steamer, from Cape Sabine, Ellemere Land, August 29th, arrived here today. All well.

Effort to Settle Steel Strike Under Way.

NEW YORK, Sept. 13.—It was learned today from a reliable source that proposals for a settlement of the steel strike are again under consideration in this city. It was also stated that President Shaffer is expected here today or tomorrow, but that his coming is not the result of any communication from this city.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's prize almanac. Clarke & Falk's.

Rates to Pan-American Exposition. Round-trip rates via O. R. & N. from The Dalles, \$51.90. Stop-overs will be allowed west of Missouri river or St. Paul on return trip within limit of ticket.

Arrangements can be made by applying to agent O. R. & N. Co., The Dalles, whereby tickets will be honored on lake steamers in one or both directions between Detroit and Buffalo.

Geo. W. Lane, Pawamo, Mich., writes: "Your Kodol Dyspepsia Cure is the best remedy for indigestion and stomach trouble that I ever used. For years I suffered from dyspepsia, at times compelling me to stay in bed and causing me untold agony. I am completely cured by Kodol Dyspepsia Cure. In recommending it to friends who suffer from indigestion I always offer to pay for it if it fails. Thus far I have never paid." Clarke & Falk's P. O. Pharmacy.

Many physicians are now prescribing Kodol Dyspepsia Cure regularly having found that it is the best prescription they can write because it is the one preparation which contains the elements necessary to digest not only some kinds of food but all kind and it therefore cures indigestion and dyspepsia no matter what its cause.
