Hortland, Sept. 18, 1901.

The announcement of the coming of the Richards & Pringle's magnificent minstrel organization to the Vogt opera house, September 24th, promises patrons of enjoyable amusement the best minstrel bill of the season, eclipsing every previous effort of this big company. It comes this season greatly augmented with an array of the most inviting up-to-date novelties ever seen in minstrelry, cleverly strung together for laughing purposes only. The roster includes fifty prime entertainers. The street parade, the big outside attraction, takes place at 2:30 p. m. In it can be seen two brass bands, a number of stylish imported English dog carts, drawn by Kentucky thoroughbred horses, all of which are carried by this organization especially for its magnificent street pageant.

Located by Vision.

Portland, Aug. 10. (To the Editor)—Homer de Morrison, oculist, located by vision the building stolen from the Selby Smelting Works. In behalf of occult science he immediately communicated by letter the facts to Mr. A. J. Ralston, owner of the Selby Works. The reports received last night prove his statements correct.

MRS. FRANCIS PARTLOW.

"It is pleasing to be assured that the gold stolen from the Selby Smelting Works was located by vision by a Portland oculist. This proves that the story of the confession of the thief and that his assistance was required in recovering the gold was a bona fide California invention for the purpose of depriving Oregon of just glory."—(Editor Portland Oregonian.)
