Located by Vision.

Portland, Aug. 16.—(To the Editor.)—Homer de Morrison, occultist, located by vision the bullion stolen from the Selby Smelting Works. In behalf of occult science he immediately communicated by letter the facts to Mr. A. J. Ralston, owner of the Selby Works. The reports received last night prove his statements correct.

MRS. FRANCIS PARTLOW.

"It is pleasing to be assured that the gold stolen from the Selby Smelting Works was 'located by vision' by a Portland occultist. This proves that the story of the confession of the thief and that his assistance was required in recovering the gold was a base California invention for the purpose of depriving Oregon of just glory."—(Editor Portland Oregonian.)
