## PEASE & MAYS

### PERSONAL MENTION.

Mr. and Mrs. George A. Young and Miss Young spent last night in the city, the guests of the Umatilla House.

Hal French left the city this morning for good, to try his fortune in the sheep business as a member of the Oak Grove Sheep Company. His many Dalles friends wish him the best of good luck.

### BORN.

Last night, September 20th, to Mr. and Mrs. Alexander, of this city, a daughter.

### You'll Have to Herry.

You are coming to The Dalles street fair and carnival, are you not? Of course you are, and you are going to have one of the best times in your life, because no pains have been spared to make the fair and carnival the best thing of its kind ever held in a city the size of The Dalles. Thousands of dollars are being spent for this purpose, and you may rest assured that you will not be disappointed this year. Then you know you can combine business with pleasure, and if you have a farm you would like to sell, call around and see Hudson & Brownhill or Dad Butts about it; or if you are thinking of moving to the city and want to purchase or rent a good home, call at the office of the above gentlemen on Washington street, opposite the land office, where they will be glad to show you what they have, and you may rest assured they have some real bargains.

### What Carter Stole.

CHICAGO, Sept. 20.—Through the recovery of \$200,000 in cash and securities in Huntington, W. Va., the government authorities now have possession of about \$380,000 of the funds embezzled by O'Brien M. Carter, ex-captain of the United States Engineer Corps at Savannah, Ga. The announcement was made today by Marion Erwin, Special Assistant Attorney-General of the United States, who is now in Chicago. Mr. Erwin has been working for the attorney-general for some time in the litigation instituted by the government to recover the funds alleged to have been fraudulently converted from the river and harbor improvements in the Savannah district. He will remain in Chicago for some time to push the proceedings on the bill recently filed in the United States Circuit Court against ex-Captain Carter, his uncle, Lorenzo D. Carter, and his brother, I. Stanton Carter. Large amounts of securities representing government funds, so it is charged, have been traced to the latter two defendants, and as yet they have failed to account for them.

Our farmers west of town, says the Goldendale Sentinel, are hauling their wheat to The Dalles these days. Anderson Shearer informs us that last week he received 55 cents per bushel for his wheat at The Dalles, while if he had hauled to Columbus, he would only have received 47 cents per bushel. He also received free ferrriage, as he sold to the mills there.

### Located by Vision.

Portland, Aug. 10.—(To the Editor)—Homer de Morrison, occultist, located by vision the buried stolen from the Selby smelting works. In behalf of occult science he immediately communicated by letter the facts to Mr. A. J. Ralston, owner of the Selby works. The reports received last night prove his statements correct.

MRS. FRANCIS PARTLOW.

"It is pleasing to be assured that the gold stolen from the Selby smelting works was located by vision by a Portland occultist. This proves that the story of the confession of the thief and that his assistance was required in recovering the gold was a bare California invention for the purpose of depriving Oregon of just glory."—(Editor Portland Oregonian.)
