**Boers Finally Repulsed.**

DURBAN, Natal, Sept. 30.—A force of 1500 Boers, commanded by General Botha, made an attack which lasted all day September 28th, on Fort Tait, on the border of Zululand. The burghers were finally repulsed, but at a heavy cost to the garrison, whose losses were an officer and eleven killed and five officers and thirty-eight men wounded. In addition sixty-three men are missing, of which number many are believed to have been wounded. The Boer commandant Opperman and nineteen burghers are known to have been killed.

**Arrested as He Left Train.**

CHICAGO, Oct. 1.—Archibald W. Freeman, a well-known lumberman of Menominee, Mich., and formerly in the employ of Reber & Watson, railroad contractors at Chicago, was arrested in this city last evening charged with forgery and embezzlement while acting as district agent at the Reber & Watson cedar mills, in Menominee. The amount involved is \$20,000. Freeman had just arrived in this city from Portland, Or., when arrested.

**Wind Again Too Light.**

New York, Oct. 1.—The second of the cup races between the British challenger Shamrock II and the Columbia was declared off today about 3:30 o'clock, when it became apparent that there was no chance of finishing within the time limit. When the race was called, Shamrock was half a mile, or three minutes ahead. The course had been half covered in four and one-half hours. Shamrock led almost throughout.

**Women and Jewels.**

Jewels, candy, flowers, mar—that is the order of a woman's preference. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself

against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boecher's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

**Boers Wish to Swear Allegiance.**

LONDON, Sept. 30.—A dispatch to the Times from Colombo says that Sir Jose West Ridway, the governor of the island, has announced that 200 of the Boer prisoners in Ceylon have expressed their willingness to take the oath of allegiance to King Edward. The prisoners not only desire to take the oath, but also wish to enlist in the British army. They are willing to serve anywhere but in South Africa.

**Expects to Make a Mile in a Minute.**

New York, Oct. 1.—Albert C. Bostwick will attempt on Thursday to lower the world's mile automobile record on the Empire City track at Yonkers, N. Y. Bostwick aims to circle the empire track in nothing short of a minute. His ambition is to lower the record held by the French chasseur Fournier. The attempt will be made with a 40-horsepower machine.

**HELD UP THE MAYOR**

**Masked Highwaymen Get Watch and Money—Didn't Throw Up His Hands.**

PORTLAND, Or., Sept. 30.—An audacious, nervy highwayman, wearing a mask, at the point of a pistol held up Mayor Henry S. Rowe last night at the northwest corner of East Sixth street and Holladay avenue, stole the mayor's gold watch and about \$6 in money, and escaped. The robbery took place within a block of the mayor's home.

The mayor had promised to read a paper before the Clerk's Association in the A. O. U. W. building, and about 7:45 he left his house to board a trolley car to get to the city. He was just crossing a clump of bushes at the corner of Holladay avenue and Sixth street when the highwayman sprang at him out of the darkness.

"Hold up your hands, and be quick," said the robber, leveling a revolver at the head of the mayor of Portland. The latter had his hands in his pockets at the time, and he was so overcome with surprise that he began to walk slowly backwards.

"Why don't you throw up your hands? I'm a — of a — to shoot," hinted the robber.

The mayor did not like the gleam of the fellow's revolver, but he said all the same: "I won't."

Then the robber was engaged and he threw down the slouch hat he wore and commanded the mayor to throw his money and valuables into the hat. The mayor looked around for assistance, which did not arrive, and he tossed his valuable gold watch into the hat.

"Now, your money," ordered the robber, and the mayor regretfully placed right hand into his hip pocket and his purse, containing \$6, followed the watch.

**Native Treachery.**

WASHINGTON, Oct. 1.—The following cablegram was received at the war department this afternoon from General Chaffee:

Manila, Oct. 1, 12:23 p. m.—Adjutant-General, Washington. With reference to your telegram of the 30th, inst., will cable names of the missing enlisted men as soon as ascertained. The company was rushed about 6 o'clock in the morning by a large body of bolomen, about 400. General Hughes think the surprise was due to the confidence of the commanding officer in assertions of friendship from the natives. Result of the investigation will be cabled as soon as obtained.

This message is in response to one sent to General Chaffee by General Corbin on Sunday immediately upon receipt of the news of the disaster of Company C, of the Ninth infantry.

**Scranton Strike is On.**

SCRANTON, Penn., Oct. 1.—The strike of the employes of the Scranton Railroad Company, covering the entire Lackawanna valley, from Pittston to Forest City, began today. Not a car started. The men refused to accept the offer of General Manager Stillman to leave the question involved in the discharge of the two Carbondele conductors to the arbitration of Bishop Hoban, or one of the priests of the diocese whom he might name, because the offer did not give the employes the representation they demanded. Nearly 600 men are involved in the strike. Besides the reinstatement of the men discharged, the men demanded the forming of an agreement in place of the one they claim has been violated by the company.
