## GUILTY MAN IDENTIFIED

As He Lay in His Coffin—Innocent Person in Jail For Wrecking Stone Yards in Chicago With Dynamite Will Now Be Set Free.

CHICAGO, Oct. 2.—The funeral services over the remains of Thomas Brow were interrupted in order that the body about to be buried might be identified as one of the conspirators in the wrecking by dynamite of the Heilmann & Edgeworth stone yards six weeks ago. The identification will release an innocent man, who is at present locked up in the county jail charged with knowledge of the crime. Frank Hardy, who had turned state's evidence, was taken to the Brow residence to make the identification. He was not told what was wanted of him, and he was led into the house where the mourners and friends were gathered about the coffin. Approaching the coffin, Hardy was told to look upon the face of the dead man. One glance and Hardy's face turned white and he was visibly agitated. He said: "That body is of the man they called Lou, and he hit the face at the stone yards." Brow's death adds a new phase of mystery to the case. He arrived in Chicago two days ago, suffering from severe injuries to his legs. While being taken home in the police ambulance he became unconscious and died a few hours later. The police are now investigating the cause of his death. At the time of the explosion at the stone yards the lives of hundreds of persons in neighboring houses were endangered. They were saved only by the bad manner in which the work was handled. The dynamiters tried to wreck the machinery in the yards.

## Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Bochee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakely's drug store. Get Green's Special Almanac. 1 Discount of Ireland. DUBLIN, Oct. 2.—At the meeting of the United Irish League, in Dublin, the Lord Mayor of Dublin presiding, a letter of apology for absence was read from William O'Brien, M. P., who expressed a hope that "if the king visits Ireland next year the league will arouse a spirit which will convince His Majesty that he has come among a people discontented and disaffected to the core, only needing arms and the training of the Boers to testify to their hatred of England's rule with an eloquence equal to that of the unconquered South African republic."
