Negro Boys Lynched.

SHELBYVILLE, Ky., Oct. 2.—Jim Fields, aged 16, and Clarence Garnett, aged 18, both colored, were lynched here at 2 o'clock this morning for the alleged murder of Willie Hart, a printer, who was stoned to death on the night of Saturday, September 31st, last. The negroes were taken from the jail and swung from the Chesapeake & Ohio Railroad trestle, just beyond the depot, and within 500 yards of the jail.

The mob's work was done quietly and quickly. About 1:30 this morning the mob appeared at the jail and demanded the keys, but the jailer refused to surrender them. The doors were then battered down. The prisoners were removed and a few minutes later were hanging from the trestle. Hart came to Shelbyville from Lebanon, O., and at the time of his death was employed as a printer on the Shelby Sentinel. The details of his death are not accurately known, but it is conceded to be a fact that Fields and Garnett were his murderers.

October 8th Is the Limit.

CONSTANTINOPLE, Oct. 2.—The brigands who carried off Miss Helen H. Stone, the American missionary and her companion, Mme. Talika, a Bulgarian lady, have fixed October 8th as the limit for the payment of the ransom, \$110,000, demanded for Miss Stone's release. The hiding place of the brigands has not yet been discovered, and the delay accorded by the abductors is taken to indicate that they consider their retreat quite secure.

"I had long suffered from indigestion," writes G. A. LeDais, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia Cure indigestion had made him a total wreck. Clarke & Falk's P. O. Pharmacy.

He Is Wanted In Oregon.

NORTH YAKIMA, Oct. 1.—H. W. Smith, wanted at Moro, Or., for the alleged murder of a Chinaman, was located at Tampico, this county, this week, and was arrested by Deputy Sheriff Leach, of Yakima, and Sheriff McGinnis, of Oregon.

MRS. FRANCIS PARTLOW.
"It is pleasing to be assured that the gold stolen from the Selby Smelting Works was located by vision by a Portland oculist. This proves that the story of the confession of the thief and that his assistance was required in recovering the gold was a base California invention for the purpose of depriving Oregon of just glory."—(Editor Portland Oregonian.)

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

R. Stinson, secretary. Tickets sold October 13th, 14th or 15th. No reduction will be made for the return if total attendance does not equal requirement. \$18-1m

H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them.
