Royal Food Nonpareil.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac.

For the meeting of the grand lodge of Oregon, K. of P., at Portland Oct. 15th, the O. R. & N. will make a rate of one and one-third fare for the round trip on the certificate plan. R. Stinson, secretary. Tickets sold October 13th, 14th or 15th. No reduction will be made for the return if total attendance does not equal requirement. \$18-1m

She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them.
