### THE AMERICAN YACHT WINS

Shamrock Crosses Finish Line Two Seconds Ahead, But Loses on Time Allowance

New York, Oct. 4.—In the most thrilling race of the series, Shamrock today beat Columbia to the finish mark by about two seconds, but lost the race on the time allowance of forty-three seconds in Columbia's favor. This allowance is made Columbia on account of the 400 square feet greater spread of canvas which Shamrock carries. The course was a run of fifteen miles before the wind, and return. Shamrock had distinctly the better of it in the first half, beating the cap defender to the mark by very nearly a minute. On the return home Columbia gained all she lost, and passed the challenger when about half the distance had been covered. From here the race was closely contested, neck and neck, but with Shamrock in the lead most of the time. The boats crossed almost together in a heart-breaking finish, but Shamrock had a little the better of it.

New York, Oct. 4.—With victory flags floating from her towering masthead and the ends of her spencers in honor of her concluding triumph in the cup race of 1901, the gallant sloop Columbia returned to her anchorage tonight under the escort of the entire excursion fleet. She today completed her defense of the honored trophy in another stirring race with Shamrock II over a leeward and windward course of thirty miles, crossing the finish line two seconds behind her antagonist, but winning, on the time allowance conceded by the Lipton boat, by forty-one seconds. For the second time she has now successfully foiled the attempt of the Irish knight to wrest from her possession the cup that means the yachting supremacy of the world. And plucky Sir Thomas Lipton, standing on the bridge of the Elop, led his guests in three hearty hurrahs for the successful defender.

"She is the better boat," he said, "and she deserves to be cheered."

The series of races just closed will always be memorable as the closest ever sailed for the cup, and Sir Thomas although defeated, will go home with the satisfaction of knowing that his golden yacht is the ablest foreign boat that ever crossed the western ocean. During both series of races not an untoward incident has occurred, and Sir Thomas will return to England by far the most popular of all the foreigners who have challenged for the America's trophy.

**Case of Miss Stone.**

Boston, Oct. 4.—Rev. Judson Smith, foreign secretary of the American Mission, in behalf of his executive committee, prompted by numerous inquiries and criticisms, has issued the following official statement in connection with the abduction of Miss Stone:

"The American Board, from the first, has done and is still doing everything in its power to secure the release of Miss Helen H. Stone from the hands of her captors in Turkey or Bulgaria at the earliest possible date. Miss Stone is an American citizen, and rightfully looks to our government for protection and release. The American government took up the case instantly, has worked constantly to deliver Miss Stone, and is still making every possible effort to this end."

**Will Not Commute Sentence of Coalgees**

Boston, Oct. 4.—Although Governor Odell, of New York, has stated emphatically that he will not consider any petition for a commutation of Coalgees' death sentence to life imprisonment, the Social Alliance, of this city, is circulating a petition of this nature for signatures in Boston. Its secretary is Theodore W. Curtis. The petition is a long one and includes this sentence: "The motive of the petition is not sentimental sympathy with a condemned man, much less the upholding of any form of anarchy, which he is said to have been a disciple; but the belief that the ends of justice, the vindication of the law and the higher interest of civilization will be better served by this change in the form of the penalty."

loute relatives. The letter was published in a newspaper, and it resulted in the discovery of a sister of the dead man. Mrs. LeRoux and her brother separated in Portland twenty five years ago, the man going to Alaska, where he became lost to his family, being single. Nothing had been heard of him for twenty-five years until the strange letter came announcing his death, and giving the fact that a neat estate had been left. Mrs. LeRoux will at once prove her identity and claim the property.

"I had long suffered from indigestion," writes G. A. LeDais, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining feet and will soon be able to work. Before he used Kodol Dyspepsia Cure indigestion had made him a total wreck. Clarke & Falk's F. O. Pharmacy."
