

Friday's Races.

The attendance at the race track yesterday afternoon, while probably not so large as the previous day, was as good as could be expected, and the attractions were numerous and varied.

The trotting race in mile heats best two in three, between Package, Duke of Walstein and Roy S, was the opening attraction. The first heat was taken by Package in 2:30 4-5, with Roy S. a close second. Walstein appeared to be outclassed, and at no time appeared to have a show for a place.

A typical Indian race followed this heat, and was a fair contest between five Indians. A typical Indian race is always interesting, and this was in no way lacking.

A Shetland pony race between E. O. McCoy's and Frank Fulton's ponies, came next and was a novel feature. It was a half-mile dash and was won by McCoy's pony in 2:50.

The second heat of the trotting race came out as the previous one had, with Package first and Roy S second, which concluded the race, the time being 2:30 2-5.

The special running half-mile dash was between Sunset, K. C., Undergrowth and Dewey. The race was taken by Dewey in 52 2-5, with Undergrowth second and Sunset third. K. C. had second place, but was disqualified on account of an accident in which the rider had his foot crushed by being crowded into the fence.

Professor Wallace gave another of his remarkable performances of hippodrome riding. Each day that he performed he had a different team that had never been used in stand-up riding before. On Thursday he rode the flighty black race mare belonging to James Parkine, and another local horse, and handled them with as much ease as if both had been trained in his particular line of work. On this occasion he made the circuit in 1:01, coming within one second of making the fastest running time of the entire week. After seeing his work no one will doubt his right to the championship of the world in stand-up riding.

The concluding race was a running half mile dash for a \$75.00 purse between Typewriter, Tucker Snow, Fleet H, Dell Mulkey and Whistler, and was won by Typewriter with Tucker Snow second and Dell Mulkey third, in 5:43. This concluded the races for the afternoon.

The live stock parade took place between the heats of the trotting race and a more magnificent display of fine stock was never before seen in this district. As the greater part of the stock was mentioned in Thursday's daily and in the premium list, we will not go into detail in regard to the same.

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac.

Good Advice.

The most miserable beings in the world are those suffering from Dyspepsia and Liver Complaint. More than seventy-five per cent. of the people in the United States are afflicted with these two diseases and their effects: such as Sour Stomach, Sick Headache, Habitual Constiveness, Palpitation of the Heart, Heart-burn, Waterbrash, Gnauling and Burning Pains at the Pit of the Stomach, Yellow Skin, Coated Tongue and Disagreeable Taste in the Mouth, Coming up of Food after Eating, Low Spirits, etc. Go to your druggist and get a bottle of August Flower for 75 cents. Two doses will relieve you. Try it. Get Green's prize almanac. Clarke & Falk.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run-down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by G. C. Blakeley, the druggist.
