

NOT A CANDIDATE FOR GOVERNOR.

"The fact is beginning to be conceded throughout the state that Senator Williamson, of Prineville, has considerable strength in Eastern Oregon for governor. However, Mr. Williamson has as yet not announced himself for any state office."

Senator Williamson has "considerable strength" for anything he may ask of the republicans of Eastern Oregon, but THE CHRONICLE has the highest authority in the world for saying that he is not a candidate for governor and never was for a moment. If this is any comfort to our friends west of the mountains, or to the gubernatorial candidates over in Pendleton or elsewhere, they are welcome to it and they may rest assured the information is reliable. What the future may have in store for Senator Williamson THE CHRONICLE knows not; but that his Eastern Oregon friends will demand his recognition we are well assured, and THE CHRONICLE will be with them in this demand, heart and soul.

That she-wolf, who bears the human name of Emma Goldman, was no sooner liberated from a prison where she ought to have been kept till her savage heart had ceased to beat than she broke out in her old inflammatory style in the columns of Free Society, an anarchist sheet published in Chicago and edited by one Inance, who tried to run an anarchist sheet in Portland some years ago. If it were not for the civilization that this female savage and her associates seek to overthrow, the society which her very presence has outraged would tear her to pieces. The article referred to appears in the form of a Chicago dispatch on the first page of this issue.

If the fanatics who gather under the red flag of anarchy were amenable to reason, says the Baker City Democrat, the liberation of Emma Goldman and her fellow anarchists so soon after the murder of President McKinley would teach them the difference between the freedom of America and the despotism of Europe. They know what it is to be arrested on suspicion and held for years, and even for life, without trial under despotic governments; here they see how jealous the law is to preserve the rights of even those who are regarded as the vilest and most despicable.

Let us see, wasn't there a rumor about a year ago that we were going to have free mail delivery in The Dalles, the postoffice receipts of the previous year entitling us to that privilege?

An ill tempered exchange suggests that Roosevelt may not come to Oregon at all now that he is reported to have seen Harvey Scott at Washington last week.

Brain Food Necessary.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

A Fireman's Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters and, after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by G. C. Blakeley, the druggist. Price 50 cents. 2

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at G. C. Blakeley's drug store. 2

Played Out.

Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores are all positive evidence of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley, the druggist.

Working 24 Hours a Day.
