## Its Datles Doilly Chroviele.

 JISDAY . . . . OCI. 8. 180It w the inaliensble right of the ares Amerions cltizen to keep ap a arvanual tiok aboat high tares, and aton the tares are really high-and ato ever knew them to be other wise - reesonable amount of kioking ade jastiabie and right. But atomount of energy put into the dick should always be governed by There may be a liberality of expenditure of the funds raised by taxation that is neither extravagunt nor foolleth, Just as there may be a penurious. see that is both. In public as well a in private life there is such aing as saving at the spigot and amating at the bung Take the thirs of Wasco county for exampie The taxpayers are constartly comTheining of the bigl rate of teration and The Chronicle is not saying hat it is not high, at be low robly Nebably be surprised to learn, as the riues sorllected by that while the total ares collected by Sherift Kelly las year amounted to $\$ 100,625.83$, no los than $843,941.87$ was expended tor school purposes. Taking 4708 a the number of chilaren in the years of age, the amount devoted $t$ the education of each of such children is thus shown to be $\$ 9.33$. This is the largest amount ever one year in the history of Wasco county. Or taking the nomber of papils enrolled in the schools o amonnt per capita expended on thetr adecation is thus shown to be $\$ 12.94$ Here, then, is what has contributed largely to swell the aggregate of our tazes, but it is a record to be prouc of and one that the good cituren would not willingly have erased.
In the penal code of the state of New York is foand the following A person concerned in the com rectly commits the oftense or aid and abets in its commisenon, and Thether present or aheent, and person who directly or indirectls agenels or coreringo indreces procures another to commit a est a principel" a principal. There are similiar aw in other states. Why shonld he cuarderers who call tbemselve tion?
A press dispatch from Washington mys: "Prendent and Mre Roovevelt entertained a few triende at dinser tonight, the nuaber in to to be prer hilual oregon. is is to be presumed that Preatent cons at dinser, but not all mill be demitted to olticially annonneed as of "as few Iriends." Senator Mitchell appeari onally, in the national capital.Eugene Guard.
"The 0 IIan expects to meet Mr. Gourlay in The Dalles today and nettle that rahady side of $40^{\circ}$ basiMoro Observer of last Friday. Well, Friday has come and gone and for surry ieason the " $O$ man", didn't ay's scalp is atill whole, and he stil insiats that "the shady aide of $40^{\text {" }}$ allegation concerning the Obberver ome an whd ye, if ye dare!

WHinam Carey was sent out to adis as a poor Baptist cobbler, the patty sam of about $\$ 65$ being contribated for his expenees. And yet Deas Farrar base widd that England own mone to that ast and the con-- the sumine of Warven Hestioge and tho bretle apirits of Clive.
