

PERSONAL MENTION.

Mr. and Mrs. Wilber Bolton and son, of Antelope, arrived in the city today on their way home from Portland.

Mr. and Mrs. Isaac Joles and Mrs. Schoning left on this morning's boat for a week's sojourn at St. Martin's Springs.

Sexton & Walther Get the Contract.

An adjourned meeting of the city council was held last night for the purpose of opening the bids for the construction of the Court street sewer.

There were two bids, one by Sexton & Walther, of this city, and the other by the Jacobsen-Bade Company, of Portland. Sexton & Walther offered to construct the sewer, according to the plans and specifications submitted them by the council.

The Jacobsen-Bade Company presented an itemized bid, accompanied by a check on French & Co.'s bank for \$250. As the terms of this bid left the matter of cost in uncertainty, depending on the character of the excavations, the flat bid of Sexton & Walther found favor, and on motion it was accepted by the unanimous vote of the councilmen present.

On motion it was agreed that the time for commencing work on the sewer, under the Sexton & Walther contract, should be left to be arranged by C. J. Orndall, on behalf of the council, with the contractor.

The resignation of H. W. French as councilman of the Second ward on account of his having left the city, was read and accepted. The appointment of a councilman to fill the vacancy was deferred until the next regular council meeting.

Mr. G. F. Guinther was present and urged the necessity of the repair of Ninth street, which is justly considered one of the roughest streets, if not the very roughest, in the city. On motion the marshal was authorized to employ such help as he may find necessary and expend on this street not to exceed the sum of \$100.

The marshal was instructed to notify the water commissioners to repair the leaky water main on Ninth street.

The matter of revising the present city license schedule was referred to the finance committee, with instructions to report a revised ordinance at the next regular meeting of the council.

The marshal asked the council to appoint another night watchman for the fall and winter months, as one watchman was inadequate to the demands made upon him. After some discussion it was ordered that Special Night-watchman Alisky be placed on the city payroll at the nominal salary of \$5 per month, and that he be endowed with all the authority of a deputy city marshal. This order is, of course, subject to the consent and acceptance of Mr. Alisky.

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1
