

MR. WILLIAMSON, OF CROOK.

The Portland Telegram is sadly uninformed upon the public record of Hon. J. N. Williamson, of Crook county. In the course of a write-up, the Telegram says:

"His career has been quite meteoric, for it is only within the past three years he attracted attention throughout the state. Thus far he has served in the legislature as representative one term, and is now filling his first term as a senator. Having avoided becoming a rabid partisan, he stands well in both factions of the republican party."

Mr. Williamson is not by any means as new as the Telegram would make him. He was elected to the legislature in 1888 and again in 1898, and in 1900 he was chosen to the senate from a district which his own hand had made the previous year. In the meantime Mr. Williamson has been sheriff of his county, editor of a newspaper and an attorney, in all of which places he distinguished himself. Mr. Williamson is not nearly so anxious for a nomination in 1902 as a good many imagine, but his name will be up for secretary of state, so that when the time comes to change that officer in 1906 he will not be forgotten. He is a young man yet.—Salem Statesman.

The Statesman mistakes as to Mr. Williamson being an attorney. He must plead guilty to having been an editor, and a good one, too, but he is not an attorney and never practiced law. His business life has been identified with the stock interests of Crook county, and he is a successful and prosperous sheep man. The statement, however, that Mr. Williamson is "not near so anxious for a nomination in 1902 as a good many imagine" is wholly gratuitous. Mr. Williamson is not posing for the remote future nor is he a "miscellaneous candidate" for anything that may turn up. He consistently asks for the secretaryship of state and failing that asks for nothing more.

Says the Astoria News: "The East Oregonian announces that Wallace McCammant, of Portland, is an avowed candidate for the nomination for congress in the second district to succeed Malcolm Moody. It says the nominations are five months away, but 'the politicians are just now doing the real work that will make up the slates and nominations.' It thinks McCammant's candidacy will be a factor in favor of the Eastern Oregon candidate for governor against Geer. It, however, characterizes his candidacy as 'another demand on the part of Portland for offices of prominence.' It further says: 'The crux of the question is, how will Simon and Mitchell align themselves as to the congressman?' The News can tell the East Oregonian that McCammant is one of Corbett's bowlers. Ergo Simon's."

The Eugene Guard, strenuously democratic, remarks that with the single exception of Grover Cleveland, President Roosevelt is the only president since Andrew Jackson declared that to the victors belong the spoils, who is an active and positive advocate of civil service reform. Arthur, Harrison and McKinley were all friendly to the movement. But none of these men were so identified with the system as Mr. Roosevelt has been. President Roosevelt served from 1889 to 1895 on the civil service commission.

The Eugene Guard, every-day-in-the-week democratic, says: "Senator J. N. Williamson, of Prineville, a republican, authorizes a Portland paper to say that he is a candidate for secretary of state. He is an excellent man personally, and was formerly a resident of Lane county."

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Night Was Her Terror. "I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at G. C. Blakeley's drug store. 2

"I had long suffered from indigestion," writes G. A. LeDeis, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia Cure indigestion had made him a total wreck. Clarke & Falk's P. O. Pharmacy. 2

Located by Vision. Portland, Aug. 10. (To the Editor)—Homer de Morrison, oculist, located by vision the bull lion stolen from the Selby Smelting Works. In behalf of occult science he immediately communicated by letter the facts to Mr. A. J. Ealston, owner of the Selby Works. The reports received last night prove his statements correct. MRS. FRANCIS PARTLOW. "It is pleasing to be assured that the gold stolen from the Selby Smelting Works was located by vision by a Portland oculist. This proves that the story of the confession of the thief and that his assistance was required in recovering the gold was a base California invention for the purpose of depriving Oregon of just glory."—(Editor Portland Oregonian.)
