

The Shaniko Leader says: "It is a pleasure to note the many good things the press of Oregon has to say for Hon. J. N. Williamson, of Prineville. Wherever Mr. Williamson is known he is held in the highest esteem by the people. In whatever official capacity he has been placed he has filled it faithfully and to the entire satisfaction of his constituents. His name has been spoken of as the proper person for the republican state convention to nominate for a state office, and without doubt his party will see that he is placed at the front and elected to some position where he can serve the people faithfully and well as he has always done when called upon in the past."

The aqueducts and reservoirs of Jerusalem show that there was abundant provision for running water in the ancient city. Within the last few weeks they have been brought again into the service of the city, which for many centuries has been dependent upon small accumulations of rainwater. The water is piped from Solomon's Pools, nine miles south of the city, drawing water from the sealed fountain mentioned in the song of Solomon. It is a deep subterranean spring, which flows through an arched channel to a distributing chamber. This increase in the city's water supply will enable twelve ancient fountains in the city to be used.

The Boston Herald speaks approvingly of the Portland Oregonian as "a republican newspaper that has always had sound ideas upon the tariff," and then goes on to quote the Oregonian as saying that "enough has been done for the manufacturers, and wholesome reform would consider the interests of the consumers, especially those of the farming class." It will now be in order for the Herald to refer to Tom Paine as "a distinguished exponent of orthodox Christianity."—American Economist.

Edward Everett Young, of the Baker City Republican, has been censured more or less for having taken the pains to ascertain the views of the members of the Oregon legislature as to the wisdom of calling an extra session to make an appropriation for the Lewis and Clark centennial; but the East Oregonian very pertinently remarks that Mr. Young is almost the only man in the state who has manifested sufficient energy in the matter to make a mistake.

The Antelope Republican has suspended publication. In other words it has given up the ghost for lack of sustenance. There never was a shadow of excuse for its existence and the wonder is it didn't die a bornin'.

The Goldendale Journal has turned up its little toes. It owed the Klickitat world an apology for having come into it, and it has made the amende honorable by dying young. Klickitat is a poor country for a half-boiled anarchist.

Brain Food Nonsense.
Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac.

"I had long suffered from indigestion," writes G. A. LeDais, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia Cure indigestion had made him a total wreck. Clarke & Falk's P. O. Pharmacy.
