PERSONAL MENTION.

Frank Cram, who is now in a flourishing little mercantile business in Hood River, was in our city Sunday.

County Surveyor J. B. Galt left today for the Wamic and Wapinitia districts to do some surveying that will occupy him about a week.

M. D. Jacobs, manager of "The Dalles Aerie," is in the city soliciting business for his paper. The Dalles Aerie is the official organ of the local lodge of Eagles.

Prof. Spillman, of the Pullman agricultural college, who has been in our hospital for the past week, has recovered and is making a visit at Eight Mile for a week or so.

BORN.

On the night of October 26th instant, to Mr. and Mrs. William Henzie, of this city, a first-born, ten-pound boy.

"Hamlet" by Deaf Mutes.

Very useful work is done by the adult deaf and dumb institute in Manchester in keeping up a link of association and interest among deaf-mutes scattered over a large area. Some travel great distances to take part in a reunion in Manchester, that has now become an annual event. This year it took place at the Hulme town hall, where a tea party in the evening was followed by a performance of "Hamlet," by deaf-mutes. Probably the feeling for dramatic representation is as strong in them as in others, but to those who can hear and speak it is difficult to imagine that it can be fully satisfied by signs and gestures, more especially when they are trammelled with the rapid and complicated movements of the finger language. The performance was, however, a great success. Last year the same "actors" gave "Romeo and Juliet," so that the success was not altogether due to novelty. The dressing of the play was effective, the scenery was good, and there was spirit in the acting, and the audience, judged by their attention, felt a real concern in the development and the incidents of the play.—London Lancet.

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1
