### UNREPENTANT AND DEFIANT

Said He Was Not Sorry for His Crime as He Was Being Strapped to the Death Chair.

AUBURN, N. Y., Oct. 29.—At 7:12 1/2 o'clock this morning Leon Czolgosz, the assassin of President McKinley, paid the extreme penalty exacted by the law for his crime. He was shocked to death by 1700 volts of electricity. He went to the chair in exactly the same manner as the majority of the murderers in the state, showing no particular sign of fear, but, in fact, doing what few of them have done—talking to the witnesses while he was being strapped in the chair. "I killed the president because he was an enemy of the good people—of the good working people. I am not sorry for my crime."

These were his words as the guards hurried him into the chair. A moment later, mumbling through the half-adjusted face straps, he said: "I am awfully sorry I could not see my father."

AUBURN, N. Y., Oct. 29.—The physicians holding the autopsy have decided, after a critical examination, that Czolgosz' brain was normal, if not above normal.

#### Will Review Salem Case.

SALEM, Oct. 29.—In the Marion county court, yesterday, the motion of the officers, filed on Saturday, to set aside the order for expunging the books was overruled by County Judge Scott, with the remark that the motion was "absurd, frivolous and scandalous." Later the court changed the order providing for expunging the books of the officers, by delegating the power of Judge Scott, to be assisted by the two men heretofore engaged.

Upon the judge's demand on the officers for their books, he met with a refusal. He warned the county officials that refusal was equivalent to contempt of court, but being impressed that steps had already been taken to have the county court's action reviewed in the state circuit court, as soon as Judge R. P. Boise, who was away for the day, could return, he suspended action in the contempt cases, announcing, however, that he did not waive it.

Last night Judge Boise returned to the city, and the county officers, through their attorneys, presented a petition to the judge for a writ of review. Their prayer was granted and a writ issued, returnable November 9th, the court ordering that, in the meantime, all proceedings under the action of the county court be stopped.

#### Prevent Election Frauds.

New York, Oct. 29.—According to information which the Herald will print tomorrow, Superintendent of Elections John McCullagh has prepared a letter to be forwarded to Police Commissioner Murphy, demanding the co-operation of the police in preventing illegal voting next Tuesday, and bringing about the punishment of those guilty of an attack upon the integrity of elections. A copy of the letter will be sent to Mayor Van Wyck and another copy may be sent to District Attorney Philbin. Affidavits will accompany the letters. Superintendent McCullagh will call Commissioner Murphy's attention to the fact that illegal registration has been reported to in all of the downtown districts. Mr. McCullagh is quoted as saying: "I shall ask for no more warrants. My agents will make arrests without warrants. The law gives us the right to do so and it will be done. This will encourage certain police officials, but I don't think any attempt will be made to interfere with us. If any attempt to interfere is made there will be trouble, and it will be for the courts to settle."

#### Bloody Race Riot Ended.

NEW ORLEANS, Oct. 29.—The Balltown riot practically is ended, and, although first reports were exaggerated, the clash was one of the bloodiest in the history of the state. Ten persons, nine negro and one white, are dead. Great injury is felt at the scene of the trouble, while there was no outward signs of renewal of hostilities, precautions being taken to prevent another outbreak. Negro Lott, who refused to take a license to run a restaurant at a meeting, caused the trouble. When a mob and posse started for the place to enforce the law, Lott and several negroes barricaded themselves in the restaurant, firing upon the posse as they approached. The fight became general, negroes on outside coming to the assistance of the barricaded brothers. The restaurant was fired, whereupon Lott and another negro emerged, firing into the white, killing Joe Seals and seriously wounding another. Other male members of the barricaded party tried to escape, but all were shot down. Lott's wife was blown off. After cessation of hostilities, five dead negroes, three negroes and one negro child were buried. Four of the latter having been shot to death in the restaurant.

#### He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakely will guarantee satisfaction or refund money. Only 50 cents.

Ten prisoners were taken, including Commandant Hans Botha.

#### Commentaries Established.

WASHINGTON, Oct. 29.—The state department has been advised by its agents in Constantinople and Sofia that communication has been established with Stone. No details are furnished. #### Accused Under Arrest at Tacoma.

#### Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preference. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boesche's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedy at Blakely's drug store. Get Green's Special Almanac.

Do you suffer from piles? If so do not turn to surgery for relief. DeWitt's Witch Hazel Salve will act more quickly, surely and safely, saving you the expense and danger of an operation. Clarke & Falk's P. O. Pharmacy.

We offer for a limited period the twice-a-week CHRONICLE, price \$1.50, and the Weekly OREGONIAN, price \$1.50, both papers for \$2 a year. Subscriptions under this offer must be paid in advance.

Clarke & Falk's flavoring extracts are the best. Ask your grocer for them.
