## DANCES IN HONOR OF CZOLGOSZ

Red Flags Floated and the "Noble Name of Brave Czolgosz" Was Cheered Lustily Whenever Mentioned.

LONDON, Oct. 30.—The anarchist clubs of London celebrated the electrocution of Czolgosz by dances in honor of his "noble death." Various groups met at their respective headquarters at a late hour last night and most of the gatherings only dispersed at 4 o'clock this morning, after singing the "Carmagnole." All the meetings lustily cheered every mention of Czolgosz, whose portrait, draped with black and red, occupied the place of honor on the platforms.

There were remarkable scenes on the dispersal of the clubs, groups of anarchists shouting "vive la Republique," singing "Carmagnole," dancing and shouting "Czolgosz, the brave." The police dispersed some of the groups. The increasing activity of the anarchists is causing some concern to Scotland Yard authorities.

NEW YORK, Oct. 30.—Some of this morning's papers refer editorially to the execution of Czolgosz, says the Tribune's London correspondent. They congratulated the American people on the steady and consistent course that justice has taken in the assassin's case and on the utter absence of sensationalism which has marked its close. The Morning Post considers that the assassin himself provided the true explanation of his crime when he expressed a desire to make a statement where there were lots of people. A morbid desire for notoriety is half the secret of anarchism, says that paper.

### Admission to Porto Rico.

CHICAGO, Oct. 30.—The visit to the United States of the Porto Rican delegation of business men, who spent today in Chicago, has a far greater significance than has appeared heretofore. Instead of coming to inspect the commercial methods of this country and incidentally to go on a little junketing trip to the Pan-American Exposition, the Porto Ricans have come primarily to pave the way for the admission of their island, first as an organized territory, then as a state. The authority for this statement is Frederico Degetau, the present commissioner from that island to the United States. The delegation arrived in Chicago in the morning, visited the Board of Trade and the stockyards, was entertained at a banquet this evening and left on a late train for St. Louis. Before the delegation returns to the island a visit will be paid to Washington, where an interview with President Roosevelt will be had. The party includes three of the native members of Porto Rico's native council and one member of the chamber of deputies, in addition to Commissioner Degetau. Free trade with the United States and Europe was asked for by the members of the delegation at a banquet given by the Board of Trade in their honor tonight.

### Food Changed to Poison.

Poisoning food in the intestines produces effects like those of arsenic, but Dr. King's New Life Pills expel the poisons from clogged bowels, gently, easily but surely, curing Constipation, Biliousness, Sick Headache, Fevers, all Liver, Kidney and Bowel troubles. Only 25c at G. C. Blakeley's drug store.

### An Apple Famine in the East?

NEW YORK, Oct. 30.—The apple famine which dealers have been predicting for several months is now an assured fact, says the Tribune. Ever since the unfavorable apple weather in the spring, buyers and growers have anticipated a shortage, and now local dealers announce that the situation is even worse than anticipated. One dealer is quoted as estimating the crop at 23,000,000 barrels, as against 48,000,000 barrels last year, and 70,000,000 barrels, as against 48,000,000 barrels the year previous.

Experience is the best Teacher. Use **Acker's English Remedy** in any case of coughs, colds or croup. Should it fail to give immediate relief money refunded 25 cts. and 50 cts. Blakeley, the druggist.

## HUNDREDS ARE PENNILESS

Reign of Terror is Expected at Nome This Winter—Two Steamers Just Arrived at Port Townsend.

PORT TOWNSEND, Oct. 30.—The steamships Queen and Valencia arrived today from Nome within half an hour of each other and each brought down 800 passengers.

On the Queen were 100 stowaways who succeeded in boarding the vessel by climbing up the anchor chains, etc., while the vessel was at anchor in the roadway at Nome. The passengers report that 500 men were left at Nome, all of whom are penniless, with no means of making a living during the winter, and a reign of terror is predicted.

During the entire voyage of the Queen petty thefts were of daily occurrence, and all had to carry their valuables on their persons. The second day out from Nome a passenger fell down the open hatchway sustaining serious injury, and on Monday night, during a severe storm the passengers on the Queen had a fearful experience, many being thrown from their bunks, one having three ribs broken.

On the Queen were six federal prisoners, Thomas Morton, James Campbell, J. E. Martin, G. N. Stockelager, F. B. Conant and one woman, bound for the penitentiary at McNeill Island, under sentence of from two to six years. The Queen reports the little schooner J. F. Saw with eighty passengers, sailing on October 23d and the steam schooner Elk No. 1 on October 20th for Puget Sound.

The vessel ashore on Smith Island is the schooner E. K. Wood. Tugs returning this morning report the vessel on the middle of the north side of the spit and that thus far she has sustained no serious damage. Last night four tugs made an effort to haul her off, and only succeeded in moving the bow four points. Another effort will be made this evening at high tide and if they fail to haul her into deep water the vessel will be doomed, as tonight's tide will be one of the highest of the season.

**Foley's Kidney Cure** makes kidneys and bladder right.

### Redmond Makes a Prediction.

NEW YORK, Oct. 30.—The London Times and the New York Times print the following as a specimen of the language used by William H. K. Redmond, M. P., in a speech he delivered at Clare Morris, County Mayo, Ireland:

"The Irishman today is not like the sturdy Transvaal burgher. Unfortunately he is unable to shoulder a Mauser and to knock the fear of man, if not the fear of God, into England's hirelings and ministers. But the day is perhaps not far distant when he may take a man's part in the restoration of the rights and liberties of which Ireland has been unjustly deprived."

### He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1-2 boxes of Buckle's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents.

### Ocean Freight Taking a Big Tumble.

NEW YORK, Oct. 30.—Ocean freights are still falling, and some firms having many time charters of large steamships stand to lose heavily, says the World. Freight on cotton has tumbled nearly one-third. One vessel has even been chartered to carry 325,000 gallons of oil to Colombo and Shanghai for 21 cents a case (of five gallons) the price formerly being 40 and 50 cents.

### Thousands Sent into Exile.

Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is costly and not always sure. Don't be an exile when Dr. King's New Discovery for Consumption will cure you at home. It's the most infallible medicine for Coughs, Colds, and all Throat and Lung diseases on earth. The first dose brings relief. Astonishing cures result from persistent use. Trial bottles free at G. C. Blakeley's drug store. Price 50c and \$1.00. Every bottle guaranteed.

### Don't Mope It In.

Just wet the affected part freely with **Mysterious Pain Cure**, a Scotch remedy, and the pain is gone. Sold by Clarke & Falk.

### Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac.

Do you suffer from piles? If so do not turn to surgery for relief. DeWitt's Witch Hazel Salvo will act more quickly, surely and safely, saving you the expense and danger of an operation. Clarke & Falk's P. O. Pharmacy.

We offer for a limited period the twice-a-week CHRONICLE, price \$1.50, and the Weekly OREGONIAN, price \$1.50, both papers for \$3 a year. Subscriptions under this offer must be paid in advance.

Clarke & Falk's flavoring extracts are the best. Ask your grocer for them.
