**Attractive Women.**

All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tells the tale of sickness all too plainly. And women today know there is no beauty without health. Wine of Cardui cures women with beauty and attractiveness by making strong and healthy those organs which make her a woman. Try Wine of Cardui, and in a month your friends will hardly know you.

**A Strong Woman**

Iowa City, Iowa, Aug. 15, 1900

My wife was sick for three years. We tried everything without relief and spent much money. My wife tried Wine of Cardui and four bottles cured her. She took two more bottles, knowing she would have to work hard during the hay harvest. She attended to all her household duties and loaded and unloaded all the hay. This medicine gave her strength. Formerly she was weak and tired and could hardly get about, but since she has been taking Wine of Cardui she feels better and stronger than when 20 years of age. JOB. A. BISHENHAFER.

Mrs. Eisenhafer had tried everything during her three years sickness and had spent considerable money. She was weak and could hardly get about for three years before she took

**WINE OF CARDUI**

Now, after taking the Wine of Cardui, she can work with her husband in the hay field. That is hard work, but it is not as injurious to a woman's health as labor in stores, factories and offices where thousands of girls are closely confined year after year. With the aid of Wine of Cardui a woman can do any reasonable work and enjoy good health. The health that Wine of Cardui brings makes a woman vigorous in body and mind. Freed from those terrible devastating pains a woman grows well and strong naturally. Wine of Cardui regulates the disordered menstruation and cures leucorrhoea, falling of the womb and periodical pains in the head and back caused by standing or sitting a long time in the same position. Theodor's Black-Draught puts the bowels, stomach, liver, kidneys and blood in proper shape. Greatly increased strength and endurance is the natural result. Most cases are cured quickly. All druggists sell \$1.00 bottles of Wine of Cardui and 25 cent packages of Theodor's Black-Draught.
