SETH LOW WAS ELECTED

Tammany Suffers a Crushing Defeat—Returns From Other States.

New York, Nov. 5.—Seth Low, ex-president of Columbia University, and four years ago the Citizens' Union candidate for the first mayor of Greater New York, was elected today the second mayor of Greater New York by a plurality ranging anywhere from 30,000 to 40,000, defeating Edward M. Shepard, of Brooklyn, the democratic nominee. The campaign was an exciting one, and the vote, though somewhat less than in the presidential election a year ago, was the largest ever polled in a municipal contest in this country.

In addition to the canvas for mayor, public interest largely centered in the nomination by the fusionists of William Travers Jerome for district attorney, and Mayor Robert A. Van Wyck, by the democrats, for justice of the supreme court, who were voted for only in the territory contained in New York county. Returns received up to 11 p. m. indicate that Jerome has been elected by a comfortable majority and that Mayor Van Wyck has been defeated, the latter running behind his ticket from 15,000 to 20,000.

Returns also indicate the complete triumph here of the Greater New York fusion ticket, Charles Vincent Furness, the nominee of the Citizens' Union and the republicans for president of the board of alderman, defeating George M. Vanhosen, the democratic nominee. E. M. Grout, for the past four years democratic president of the Borough of Brooklyn, now the fusionist nominee for controller, has also defeated W. W. Ladd, Jr., democrat.

Republican Majorities in Ohio.
COLUMBUS, O., Nov. 5.—The republicans today carried Ohio by such increased pluralities on their ticket and with such an enlarged majority in the legislature as to cause all sorts of comment on "What did it?" The result continues the republicans in power in the state, making an epoch of twelve years in succession for that party in Ohio, and it insures the re-election of Senator Forsaker.

The extent of the republican success is attributed to the silver democrats not voting; to the attitude of John R. McLean, the democratic candidate for governor two years ago, and the Ohio member of the national democratic committee; to the superior organization of the republicans and other causes. The republicans attribute the result largely to the popular desire not to disturb the prevailing prosperity, in accordance with Senator Hanna's appeal to "let good enough alone;" to the desire to support President Roosevelt in carrying out the policy of the late President McKinley and to endorse Governor Nash and Senator Forsaker.

Results in Maryland.
BALTIMORE, Nov. 5.—A conservative estimate based upon about half the voting precincts in the city, and unofficial returns from the state, made at 3 a. m., indicate that the democrats will control the legislature, and will have probably sixty-seven votes on joint ballot, which is six more than a majority. Not more than half the returns from the city are in, these showing an unusually close contest. It is not believed that the majority for either party in Baltimore City will exceed 3000. Anything like accurate figures is not obtainable, and even the best-informed are totally at sea as to the result.

New Jersey.
TRENTON, N. J., Nov. 5.—Late returns bear out earlier indications that Franklin Murphy, rep., has been elected governor by about 10,000 plurality.

Republicans Move Nebraska.
LINCOLN, Neb., Nov. 6.—All returns received up to 1 o'clock this morning indicate that all of the republican ticket has been elected, perhaps by as much as 10,000 majority. The figures upon which this estimate is based are precinct returns, which show an average republican gain of about four to the precinct.

TURKISH PORTS SEIZED BY FRANCE

Three Cities on the Island of Mitylene Occupied.

PARIS, Nov. 5.—An official dispatch announces the arrival of Admiral Caillard's squadron this morning at the island of Mitylene.

PARIS, Nov. 5.—Admiral Caillard has occupied the three principal ports of the island of Mitylene.

LONDON, Nov. 5.—The British foreign office has had no request from Turkey, as announced by the Constantinople correspondent of the Echo de Paris, to fulfill the terms of the convention of 1878, at which, in exchange for the island of Cyprus, Great Britain guaranteed the integrity of the sultan's Asiatic possessions.

New York, Nov. 5.—It is learned from a reliable source that France has not, up to the present, informed the Triple Alliance of any contemplated naval action in Turkey, says the Herald's Berlin correspondent.

The Tagblatt compares the attitude of M. Dulcane to that of Napoleon III in 1870. Like the sultan, King William of Prussia had already yielded when France, by urgently pressing new claims, critically embittered the situation.

PHILADELPHIA, Nov. 6.—Estimates from the sixty-seven counties of the state give Frank C. Harris, republican, for state treasurer, an apparent plurality of 51,018; William P. Potter, rep., for

supreme court judge, 44,807 plurality. These pluralities are considerably below those of 1899, when Barnett, rep., had 110,558 plurality. The reduction of the republican plurality is due in part to the light vote cast.

In Philadelphia, Rothermel, the fusion candidate for district attorney, was beaten by 43,478 plurality.

Harris' plurality in this city was 34,901, and Potter's was 31,921.

G. Harry Davis, fusion, was elected judge of common pleas court, No 5, running nearly 1000 votes ahead of Henry Budd, his associate on the ticket, defeating Maxwell Stevenson, dem. Stevenson was also on the public opinion party ticket and received republican support, but not enough to elect him. The republicans elected the other two judges, Robert Ralston and J. Willis Martin.

Jeffords Will Fight Maher.

New York, Nov. 5.—Peter Maher has signed articles to box Jim Jeffords, of California, next Friday night, before the Eureka Athletic Club, Baltimore, in a 10-round contest. About a month ago Jeffords and Maher met at Lancaster, Pa., for six rounds, and the result was a draw. If Maher defeats Jeffords he states that he will issue a challenge to box the winner of the Jeffords-Rublin fight.
