VEDNESDAY - - - NOV. 6, 1901

most cases by reduced majorities, their coming by taking regular doses of Green's August Flower, the favorite owing to the light vote. Tammany medicine of the healthy millions. A few was downed in New York city, but this is a result that was foreseen, and one that could have been accomplished long and except for the plished long ago, except for the Green's Special Almanac. apathy of the business men. The wonder is that Tammany has so long | All women sensibly desire to be atbeen permitted to rule, and that tractive. Beauty is the stamp of health from the days of Tweed down to because it is the outward manifestation

a "reform" victory is generally followed by a sweeping reform defeat. not only shown the outsiders what to leave her bed in seven years on account of kidney and liver trouble, have learned the lesson of their own strength. Mayor Seth Low and Dis-in three months I felt like a new person." trict Attorney Jerome have control of the city government, and it depends largely on them whether or not Tammany's carcass be dragged ley, the druggist. Only 50c. trom the garbage barrel to be again called back to life.

One lesson the election teaches is that republican principles are steadily becoming more popular. The elections, following a presidential elections, following a presidential elections, following a presidential elections and Omaha said I had Consumption tion, are apt to show largely reduced majorities, and often a defeat of the winning party. In no state have the democrats been able to reverse the contract held one year ago by opinion held one year ago by the people, and in proportion to the Shows the state of your feelings and the number of votes cast the republicans state of your health as well. Impure have maintained the majorities of a blood makes itself apparent in a pale Fine Lard and Sausages year ago.

FAIR TRIALS WANTED.

Durbin of Indiana for refusing to Blakeley, the druggist. at the requisition for the return W. Finley, who were indicted by the Kentucky courts for complicity giving relief. She tried Foley's Honey in the murder of William Goebel, the general opinion will be that Clarke & Falk. Indiana's executive gives a sound reason for the refusal when he says that the time has not arrived when an unprejudiced and nonpartizen the charges against the hearing of the charges against the Clarke & Falk. fugitives can be held in Kentucky.

Political feeling never ran so high in Kentucky as it did at the time of the shooting of Goebel and immedi-ately afterward. Great bitterness ware of substitutes. Clarke & Falk. ately afterward. Great bitterness still exists and there is a cry for vengeance. Under the circumstances, it is out of the question to expect that a fair and impartial trial would be given, such as might be allowed a person charged with an offense in which political matters were not involved.

taken place it is evident that the public temper is not such as to guarantee exact justice for the accused. When the court has to order that every person entering the courtroom be searched for concealed weapons, as was recently done in the Caleb Powers case, it is safe to conclude that a good deal of prejudice exists on both sides; and while there is such a state of feeling it is not im proper for the executive of a neighboring commonwealth to use extreme caution in responding to requisitions.

CASTORIA For Infants and Children. Mind You Have Always Bought

Another ridiculous food fad has been pranded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for THIS WEEK'S ELECTIONS.

The results of the recent elections are not at all surprising. Republican states have gone republican and democratic states democratic—in most cases by reduced majorities, their coming by taking regular doses of Green's August Flower, the favorite
