

The celebrated makers of Men's Fine Clothing

Nart, Schäffner

have surpassed their own record; a better lot of suits and overcoats was never produced than we show from this famous house. We shall be glad to show them to you, whether you come to buy or merely to look. They are worth seeing, as well as buying.

You are welcome to try on as many as you please. You had better see what we have before buying elsewhere.

Tickets power. Mr. Hanson was a native of a Brownsville, have been visiting with the family of Mr. Henry Willerton during gold watch, valued at \$100, in George ready to render my assistance in their a single man about 30 years of age. He has worked as deck-hand on the Columbia river boats for several years and was well liked by all who knew him. His remains have not yet been found.

Our young townsman, Max Bartell, is evidently gaining laurels in the freshman football team in Stanford university, judging from the special mention given him by the San Francisco papers season, in which the Stanford boys deteated the freehman team of Berkeley college. Virgit Sarl, also one of our Dalles playere, is doing equally well in well and favorably known in that vicin. the University of Oregon team, which passed through The Dalles last evening en route to Moscow, Idaho, to play the Idaho state university boys. Manager Patterson's boys of last year were certainly all right, and it is not an exaggeration to predict that there will be another team equal in every respect organized here this season.

Deputies Aliaky and Wood added to their laurels tast night by capturing a Fish and who has the reputation of boparty which the police all along the line ing unequalled as a genial and up-tobetween here and Spokane have been anxiously looking for. The party is kitchen is in charge of one of the best A. J. Thompson, the leader of a notorious gang of cattle rustlers who have tills House, and the service promises to been operating for a considerable time Thompson but failing to locate him turned the matter over to Mesers, Wood and Alieky, who succeeded in finding him last night. At first Thompson refused to return to Spokane without equisition papers, but this morning he was more reasonable and promised to return without further trouble. Deputy Pugh will be down after his man to-

Trilby and Cole's Original Air-Tight Heaters

For Wood and Lighter Fuel.

The introduction of Cole's Original Air-Tigh. Heater has revolution-ized the heating stove trade in all sections of the United States. Its wonderful economy in the use of fusi, and many other excellent qualities, strongly recommend it to all in need of a heating stove.

What Cole's Heater Will Do. This stove will heat a room from zero to

80 degrees in five minutes. It will heat your house evenly day and

It holds fire 36 hours without attention. You build only one fire each winter.

It burns chips, bark, leaves, paper and corn cabe, and gives excellent results with this fuel, which is ordinarily wasted. The stove is light and easily moved and

The combustion is perfect and seles are removed only once in four weeks.

None of the heat is wasted and the stove will save one-half of your fuel bill. It is clean, economical, convenient, cafe and durable.

Every one of Cole's Original Air-Tight Heaters is guaranteed to stay air-tight as long as used. Where wood is used for fuel every family should have one or more of these stoves.

Sold by MAIER & BENTON, The Dalles.
