Commissioner Dosh, who has charge of the Oregon fruit exhibit at Buffalo, states in a letter to E. L. Smith that Hood river valley got three gold medals for apples, on fruit belonging to George Booth, E. L. Smith and William Erck. Three silver medals were given to C. L. Rogers, W. W. Mason and G. J. Gesling, while bronze medals for apples, cherries and strawberries were awarded to W. G. Baker, Fred Knudsen, G. A. McCurdy, R. R. Tucker, F. G. Church, H. C. Bateham and W. W. Mason. This is indeed creditable for the Hood river valley, and it is unlikely that there is a patch of ground of its size anywhere that can compete with it in raising splendid fruit.

H. G. Lake, of Joseph, Oregon, who is one of Game Warden Quimby's deputies, writes to Mr. Quimby that the same gang of Idaho Indians who slaughtered about all the deer in that county last fall returned again this fall about 700 started in to spear fish and kill deer. He caused the arrest of five of them, which intimidated the others and they went back to Idaho. Mr. Lake says there are ten deer in the county this fall to where there was one last fall, as they have flocked in where they find protection.

**TO SUCCEED  
LI HUNG CHANG**

Yuan Shi Kai Will Take the Place of the Departed Viceroy.

WASHINGTON, Nov. 8.—Minister Conger, at Peking, has informed the state department that Yuan Shi Kai has been appointed to succeed Li Hung Chang as viceroy of Chi Li, and that Wang Wen Shao has been appointed deputy viceroy of the same province. Yuan is the present viceroy of Shan Tung province.

PEKIN, Nov. 8.—The special edict has arrived here appointing Yuan Shi Kai (Governor Shan Tung) to be governor of Chi Li and Wang Wen Shao, who is vice-president of the foreign office and a member of the cabinet, to succeed Li Hung Chang as plenipotentiary. They are both ordered to come to Peking forthwith.

Another edict creates Li Hung Chang a marquis and bestows on him the new name of Li Wen Chung, by which he will be known in history.

**Large Cannery Combine.**

SAN FRANCISCO, Nov. 8.—According to the Chronicle, a deal is about to be consummated by which all the leading fruit-canning establishments outside of the California Fruit Cannery Association will pass into the hands of an Eastern syndicate. The combined capacities of the plants to be included in the proposed deal will equal that of the existing combine. The annual output will be not less than 1,500,000 cases, or 36,000,000 cans.

It is understood from reliable authority that nearly all of the twenty and odd outside canneries have given options to a firm of attorneys and that the new company will soon be incorporated under the laws of New Jersey, with a capital of \$5,000,000. The names of the capitalists interested were not given.

**Attractive Women.**

All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tell the tale of sickness all too plainly. And women today know there is no beauty without health. Wine of Cardui cures women with beauty and attractiveness by making strong and healthy those organs which make her a woman. Try Wine of Cardui, and in a month your friends will hardly know you.

**Your Face**

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley the druggist.
