LETTER FROM ELLEN STONE

Tells Her Friends in Bulgaria That She Is Well.

CHICAGO, Nov. 20.—The Sofia correspondent of the Chicago Daily News has succeeded in obtaining copies of letters recently exchanged between Miss Ellen M. Stone, the captive American missionary, in her place of captivity, and a Bulgarian friend. Miss Stone's letter is as follows:

"My Dear Little Sister—As though the sun in all its splendor had shown out despite the rain falling on us from thick clouds, so great is my joy at having received your letter this morning. What a blessing your dear words bring to me and also to Mrs. Talika, your countrywoman. To hear once more from the world, and especially words so sweet and encouraging, awakens new life in us. We continually repeat in our hearts your assurance that our dear ones have not forgotten us and are praying and working tirelessly for our release.

"When your letter came, having received no help from any direction, our burden had become heavy indeed. Now we are lifted up with new courage and strong faith in the Lord. I rely fully on prayers and efforts of your friends, known and unknown.

"Remember me to all, present my loving greetings to your mother and family and inform my co-workers that I do not cease to pray for them. I have written the particulars of our condition to Dr. Dickinson, and you may ask him to see my letter. I only add here that

we have preserved our general health despite all our trials.

"I rejoice in the permission which has just been accorded me to write to my dearest ones in America. This will be the second letter which I have been permitted to write, besides those to three persons in regard to our liberation. I hardly hoped to hear that my mother was as yet alive. If you can, write her a word of comfort, and also my brothers. God bless you. Mrs. Talika joins in remembrance.

"Lovingly,
ELLEN M. STONE."

Geer in Favor of Exclusion of Chinese.

SALEM, Nov. 21.—In response to a message from a San Francisco paper requesting an expression from Oregon's chief executive relative to the sentiment in Oregon on the Geary Chinese exclusion act, Governor Geer last night wired that the public sentiment in Oregon is unanimously in favor of the re-enactment of the Geary law. The message was read at a convention of Californians held in San Francisco today, when congress was memorialized to re-enact the legislation covering the Chinese question.

Asks Oregon to Help Fight Comber.

ST. PAUL, Minn., Nov. 21.—Letters were sent out this afternoon from the governor's office addressed to the governors of North Dakota, Montana, Washington, Idaho and Oregon, suggesting co-operation in the fight against the railroad merger and asking the state executives to suggest plans for concerted action. It is not likely that there will be a formal meeting for a conference, but by correspondence a plan may be agreed upon.

BIG TURKEY SHOOT.

A. Y. Marsh will give a big turkey shoot on the beach on the 26, 27, and 28th of November.

Moody Due Today.

BAKER CITY, Nov. 21.—Hon. M. A. Moody, is due to arrive here today, and the applicants for the postoffice, are anxiously waiting to learn what disposition he has decided to make of the Baker City postoffice.

There are enough people in the race for this office, to form a very respectable procession, if they were minded to line up, but it is doubtful if they could all be drawn closely together, even to do honor to the visiting congressman.

The politicians are all at sea regarding the probable action of Mr. Moody, in regard to this place. Some time ago a few of the knowing ones were very confident that they could say just what he would do, and they did, but they have all recalled their predictions, and now they are calmly waiting to find out what is going to happen.

The avowed declaration of Ed. Bartlett, of La Grande, to become a candidate for the nomination for congress, has caused considerable stir in this part of the state. Some insist that it is only a bluff for the purpose of forcing the powers that be, to recognize his claim for reappointment, but the fact remains, that he has declared that he is in the race for congress, and that he will go to the convention with a solid Eastern Oregon delegation back of him.

Five turkeys, fattened especially for the Carnaby Market, Hines' sweet pickles in bulk, bulk olives, sweet cider, apple butter, pickled tripe, pigs feet, sauerkraut, and other specialties too numerous to mention, can be had all the time at Carnaby's American Market.

For Pneumonia.

Dr. C. J. Bishop, Agnew, Mich., says: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Be wary of substitutes. Clarke & Falk.

N. Jackson, Danville, Ill., writes:

"My daughter had a severe attack of la grippe and a terrible cough settled on her lungs. We tried a great many remedies without giving relief. She tried Foley's Honey and Tar which cured her. She has never been troubled with a cough since." Clarke & Falk.

Do you suffer from piles? If so do not turn to surgery for relief. DeWitt's Witch Hazel Salve will act more quickly, surely and safely, saving you the expense and danger of an operation. Clarke & Falk's P. O. Pharmacy.
