The "Fulton," the United States submarine boat, which was put to a test of submergence on Saturday night last, in New York, with a band of naval officers and her crew, arose from the bottom Monday morning, after fifteen hours of disappearance, with all hands well and hearty and quite surprised to find a storm raging above, no inkling of it having reached them during the night.

Neither business men nor working men are asking for tariff changes. What many of them in many parts of the country would like to see is more freight cars to handle their products promptly.

Brain Food Nonsense. Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1
