DEALS WITH THE ALIEN ANARCHIST

Senator Burrows Has Introduced a Bill to Exclude the Deport Red Flag Adherents.

WASHINGTON, Dec. 4.—Senator Burrows today introduced a bill to "Provide for the exclusion and deportation of alien anarchists." The first section of the bill is as follows:

"That no alien anarchists shall hereafter be permitted to land at any port of the United States or be admitted into the United States; but this prohibition shall not be so construed as to apply to political refugees or political offenders other than such anarchists."

The second section directs the special board of inquiry authorized by the immigration laws to make diligent investigation concerning the antecedents of any alien seeking admission into the United States, who is suspected of being an anarchist; authorizing the board to go even to the extent of examining the persons of suspected aliens for marks indicative of membership in anarchistic societies.

Section 3 provides for the return of persons to their native countries who have secured admission to the United States contrary to law, and who have afterward been found to be anarchists.

The fourth section provides that when any alien is convicted of crime in a court and it shall appear from the evidence that he is an anarchist, the presiding judge shall direct a further hearing and if the judge is satisfied that the convicted alien is an anarchist or that his remaining in this country will be menace to the government or society in general, he may direct that in addition to other punishments adjudged the convicted alien, after undergoing such punishments, shall be deported at the expense of the United States to the country from which he came, and if he returns to the United States shall be punished by imprisonment at hard labor for a period not exceeding five years and afterward again deported. Provision is made for the appointment of twelve immigration agents at a salary of \$2500 each, to make investigations in foreign countries concerning intended immigrants.

The sixth and last section of the bill provides that the fact that an alien has declared his intention to become a citizen of the United States shall constitute no bar to proceedings against him under this act.

No play of recent years has so much uproarious fun and such genuine heart interest as "Yon Yonson" in which the late Gus Heege made both fame and fortune before his untimely death a few years ago. It has been a difficult matter to successfully replace this great dialect comedian, but Managers Thall & Kennedy have succeeded splendidly. They were compelled to go to Europe to do it, but they are more than pleased with their investment and at the result of their labors. They have secured Knute Erickson, a handsome young actor, singer and musician, who is considered by all odds to be the most popular player of dialect roles ever sent to America. He is versatile and has enough personal magnetism to supply a dozen or two of the actors who are supposed to have this quality to a large degree. All the other members of the company are as well equipped for their various roles, which insures to the playgoers of this city performances of rare smoothness and enjoyment. Messrs. Thall & Kennedy are among the theatrical caterers who believe in giving their patrons plenty for their money, so for this season they have added many attractions to the show to any nothing of an entirely new scenic inventory.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preference. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often retained in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aid digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

An Evangelist's Story.

"I suffered for years with bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For croup it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. Clarke & Falk's P. O. Pharmacy.

Tot Causes Night Alarm.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Snider, of Crittenden, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Infalible for Coughs, Colds, Throat and Lung troubles. 50c and \$1.00. Trial bottles free at G. C. Blakeley's drug store. 3

\$25 REWARD.

We will pay \$25 reward for the arrest and conviction of any person trespassing upon the football park, molesting or destroying the fence. Small boys who have been digging holes under the fence are liable to arrest and are included in the above.

Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
