

"NAPOLEON" OF POLITICS WILL MAKE A FIGHT.

"I find Senator Joseph Simon a very active candidate," said J. W. Scriber, when asked by the LaGrande Chronicle on his return from Portland a few days ago, concerning political signs and movements in the Oregon metropolis.

"In the second place he has lost most of his strong and influential friends. His domineering disposition is responsible for this. Simon wants to be the whole thing and this does not appeal to others who are naturally leaders and not followers.

He has, I understand, lost Mr. H. W. Scott, who whether he himself becomes a candidate or not will oppose the present senator with all fair means. I understand also that Simon has lost Mr. Corbett. But he is not daunted by these things. He will make a strong fight to control every section of the state.

Mr. Scriber says that J. N. Williamson, of Prineville, is everywhere spoken of as one of the coming statesmen of Oregon. He has withdrawn his candidacy for the position of secretary of state. To have continued in the race might have caused a great deal of friction, and Williamson is not that kind of politician.

The above, as far as it relates to Mr. Williamson, describes the situation more correctly than anything yet given out by any of our "well-informed" contemporaries, the Oregonian included. THE CHRONICLE says this of its own personal knowledge. Mr. Williamson has never been a miscellaneous candidate for a moment. He authorized his friends to say that he was a candidate for the secretaryship of state. He has never authorized a living being to say he was a candidate for anything else.

This is the situation exactly. Mr. Williamson is no more a candidate for congress than he is the supreme judgeship. What certain of his friends may say or desire in the premises is another matter, over which he has no control and concerning which, until some definite action is taken, he cannot be blamed for keeping silent. No man ought to be blamed for refusing an office until it has been offered him by persons having power to confer it.

Hoboes arrested in Portland get nothing to eat until the police judge has passed on their case. It can easily happen that twenty hours may elapse between the arrest and sentence. A hard lot are these wanderers who care nothing for confinement so they get plenty to eat.

An Evangelist's story. "I suffered for years with bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For croup it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. Clarke & Falk's P. O. Pharmacy.

Women and Jewels. Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often retained in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boche's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Brain Food Nonsense. Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Attractive Women. All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tells the tale of sickness all too plainly. And women today know there is no beauty without health. Wine of Cardui cures women with beauty and attractiveness by making strong and healthy those organs which make her a woman. Try Wine of Cardui, and in a month your friends will hardly know you.

Old Soldier's Experience. M. M. Austin, a civil war veteran, of Winchester, Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health." They always do. Try them. Only 25c at G. C. Blakeley's drug store. 3

Saved His Life. "I wish to say that I owe my life to Kodol Dyspepsia Cure," writes H. C. Chrestenson of Hayfield, Minn. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all." Digests your food. Cures all stomach troubles. Clarke & Falk's P. O. Pharmacy.

Health and Beauty. A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or diarrhea. Safe pills. Clarke & Falk's P. O. Pharmacy.

Your Face Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so-called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley, the druggist.
