

THINGS POLITICAL.

The signs of the times indicate that Eastern Oregon will be accorded one congressman for the second district, in the person of J. N. Williamson, says the Arlington Record. Mr. Dunbar is a candidate for re election, and as he is a popular man and has filled his office acceptably there seems to be a disposition to renominate him; besides Eastern Oregon is more directly interested in congress man than any other office to be filled at the June election. If Eastern Oregon gets the state printer and congressman we can afford to support Geer and Dunbar for re election and take our chances with the rest of the state for the remainder of the state offices. The next great important question will be the legislative ticket, as the next election will elect a senator to succeed Simon, it is all important that we send men to Salem who will have our welfare at heart. We have no candidate to offer or support, but we don't want any sell-out or hold-up, such as we had in the last legislature; we want men who will sit down hard on the man who wants to buy his way to the senate instead of taking that man's money for their votes. Happily for Oregon, money did not succeed before and we got a man that Oregon is proud of and who will devote his energy to Oregon's advantage. Let the people see to it that the legislature is composed of men who will look after the state's welfare and hold the interest of Oregon paramount to their private interests. Oregon is a young state and of vast, undeveloped resources; we want our strongest and best men in congress and the senate.

Dr. Marlet, an expert in the division of entomology in the department of agriculture, has discovered that the San Jose scale, which has become such a pest in the orchards of California and Oregon, is a native of North China. The insect was introduced into California a number of years ago by fruit from Japan, and was given the name of San Jose scale from the valley where it first appeared in this country. He has also discovered in that section of China a beetle which thrives on this insect and checks its harmful ravages on fruit and trees. Preparations are being made to propagate this beetle in vast numbers and distribute them among the regions suffering from the pest with the assurance of good results. The appearance of this beetle will be hailed with joy by orchardists all over the country, for the scale has spread from the Pacific to the Atlantic. Eastern orchards being now threatened with ruin by it. Oregon can support an infinite number of these new beetles, for the scale has appeared in many of the orchards of the Willamette valley.

The Seattle Times admires "Teddy." It says: "President Roosevelt shows the kind of stuff of which he is made when he removed Governor Campbell, of Oklahoma, for participating in a territorial contract. These old 'political wire-pullers,' who have been in the habit of feathering their nests out of the government, had better look out for 'this cowboy from North Dakota.' He may not have learned 'statecraft' nor 'diplomacy' while running his ranch in the Central Northwest—but he evidently imbibed some of God's free air, and a good many other things that belong to 'nature.'"

To Whom It May Concern.

At a meeting of The Dalles City council held on Monday night Dec. 9, 1901, it was moved and carried unanimously: "That the city marshal be ordered to collect a monthly rental on and after January 1, 1902, from all parties in Dalles City who shall then own houses or other obstructions that have not been removed from the public streets of the city d10 id

An Evangelist's Story.

"I suffered for years with bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For croup it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. Clarke & Falk's P. O. Pharmacy.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boeche's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Attractive Women.

All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tells the tale of sickness all too plainly. And women today know there is no beauty without health. Wine of Cardui cures women with strong and healthy those organs which make her a woman. Try Wine of Cardui, and in a month your friends will hardly know you.

He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 11-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents.

Don't Let Them Suffer.

Often children are tortured with itching and burning eczema and other skin diseases but Bucklen's Arnica Salve heals the raw sores, expels inflammation, leaves the skin without a scar. Clean, fragrant, cheap, there's no salve on earth as good. Try it. Cure guaranteed. Only 25c at G. C. Blakeley's drug store. 4 Dyspepsia can be cured by using Acker's Dyspepsia Tablets. One little Tablet will give immediate relief or money refunded. Sold in handsome tin boxes at 25 cts. Blakeley the druggist.

I wish to say that I owe my life to Kodol Dyspepsia Cure," writes H. C. Christenson of Hayfield, Minn. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all."
