**What to Do About Santa Claus.**

The problem is before us: What shall we do with Santa Claus? The anxious mother questions, "Would you have me tell the child nothing about Santa Claus? Would you leave all that beautiful part out of the child's life?" By no manner of means. There is a Santa Claus; why should we deny him? The first thing to do is to believe in him yourself. Ask yourself what Santa Claus has meant to the child. He is the mysterious, never-seen benefactor; the one who never forgets; the one who never brings the good child aught but sunshine, and leaves a trail of happiness behind.

Think of what Christmas meant to you as a child. Think of the expectancy, the realization, the flood of good feeling and fellowship that seemed to pervade the world on those days, and then ask yourself if this echo of the most wonderful song ever heard on earth has not some connection with the childish idea of Santa Claus.

Tell the child the dear old stories of the good Saint as often as you please, but tell them invariably as myths, as fairy tales. Tell them from babyhood, when the letter will be all he will understand, until he reaches the age when he can grasp the spiritual idea and slough the letter off. If the child is always told the myth of Santa Claus as a fairy tale, he will have all the childish joy and will have nothing to unlearn, and when he reaches the age of five or six his mind will readjust it to an idealist.

**WILL FAVOR THE SCALPERS**

Federation of Labor Will Defend the Ticket Broker—Resolution to That Effect Precipitated a Lively Debate.

SCRANTON, Pa., Dec. 10.—At today's meeting of the American Federation of Labor the committee having charge of the secretary's report reported that the suggestions made in that report be accepted, with the exception of that referring to per capita tax of National and international unions. The committee recommends that the tax be increased from one-third to one-half per cent per month. The recommendations were adopted.

The committee on resolutions then presented a voluminous report. Among the resolutions was one asking all unions to give the status of the jurisdiction over which they claim to exercise authority. This brought up the question of autonomy and First Vice-President Duncan made the important announcement of a special committee to consider the whole question of autonomy. This had the effect of killing the resolution, there being no opposition to the motion to adopt the recommendation of the committee.

The resolution pledging the American federation to use every honorable means to prevent the passage by congress of anti-scalping legislation was favorably reported by the committee—State Senator Tanquary, a member of the Railroad Telegraphers Union, and John B. Lennon, of Bloomington, Ill., of the Journeymen Tailors Union, vigorously opposed the resolution. Senator Tanquary declared the federation was going outside of its legitimate field in considering such a resolution and the organization was treading on dangerous ground. Mr. Lennon said many of the ticket scalpers were criminals, and told of a case where 45,000 tickets had been forged on one railroad and sold by scalpers.

**Beauty is Health.**

Walnut Lake, Ark., June 8, 1900.

I thank you for the benefit I received from your advice and the Wine of Cardui I took in my terrible condition. My life was no pleasure to me at all and I was of no use to anybody. After receiving your advice and medicine I commenced taking it and began immediately to improve. The pains left me and the menses, which came at the correct time, continued three days. I have gained strength and my weight has increased. My husband says the medicine has made me better looking than ever before.

Mrs. LIZZIE MANNELL.

Womanly health means bright eyes, rosy cheeks, clear complexion and elasticity of form. This is the youth unmeasured by years—the beauty of perfect womanhood. Beautiful women are happier and get more out of life than their sisters whose faces indicate suffering. Wine of Cardui made Mrs. Mannell "better looking" and infinitely happier because it cured her of those terrible pains. But she is no exception.

**WINE OF CARDUI**

is giving thousands of women health, beauty and freedom from the dragging pains which made their lives so miserable. Wan faces, haggard eyes and emaciated forms are the results of suffering. What suffering can compare with the torture of irregular menstruation, leucorrhoea and falling of the womb! Beauty flees quickly before the ravages of such disease. The sharp pains of falling of the womb deepen the crow tracks in the face. Menstrual irregularities rob the eye of its fire and the complexion of its transparency. Leucorrhoea drains the body of its strength, but Wine of Cardui restores the natural beauty, brightens the eye, clears the complexion, rounds out the figure and brings back the vigor of health. Every druggist in this city handles \$1.00 bottles of Wine of Cardui.

**Women and Jewels.**

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Roseheer's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

**An Evangelist's Story.**

"I suffered for years with bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For croup it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. Clarke & Falk's P. O. Pharmacy.

**Saved His Life.**

"I wish to say that I owe my life to Kodol Dyspepsia Cure," writes H. C. Chrestenson of Hayfield, Minn. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all." Digests your food. Cures all stomach troubles. Clarke & Falk's P. O. Pharmacy.

**He Kept His Leg.**

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1-2 boxes of Bucklen's Arnica Salvo and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents.
