The Dalles Daily Chronicle. SIGNAL ACROSS

MONDAY - - - - DEC. 16, 1901

During the past few years the statement has been made in the press and before the legislature that it was the ambition of Hon. H. W. Corbett to round out his career and close his life while occupying a seat in the U. S. senate. The Salem Sentinel now says this is not to be. The fates-and politics-did not so decree. Now there are those who aver serve the people of his state as governor. They say it is binted that he would not decline the nomination ocean without wires. next spring if it were tendered him. Brain Food Nonsense.

Another ridiculous food fad has been tion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspeysis. You must pre-pare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions.
