

CHINESE QUARTERS APLENTY.

While congressmen are rushing to the front with bills which will raise still higher and thicker walls against the admission of Confucians within the limits of this republic, the Ah Singes now living in the Chinatowns of New York and San Francisco and other American cities are chuckling with slant eyed glee. Why shouldn't they be happy? They are here, and it is not likely they will be cast out. They know full well that millions of their fellow countrymen envy their good fortune, and are beating vainly at the barriers which are set up against their admission to this promised land of milk and honey, of fat sharks' fins and luscious nests of swallows.

The French satirist wrote that there is something not wholly displeasing in the misfortunes even of our best friends. And so it is with the Chinamen now living in the United States. President Roosevelt declares that this country must keep its gates closed against yellow floods from the Orient, and in this declaration he has scores of millions of Americans at his back; but no person of common sense is now advocating the exile of the Chinese who have set up their household gods and their sadirons among us. The resolute conviction of Yankeeedom is unquestionably that the number of of hieroglyphic laundries now existent between Beacon street and the Golden Gate, between the Zenith City of the Unsalted Seas and the low lying levels of salt-strewn Galveston, is sufficient to meet the urgent demands of this cosmopolitan commonwealth of the Stars and Stripes. Yet this will be followed in these days by no fresh war cry that "The Chinaman must go." Let him say if he is here already. But, as the president hints in his message, we have enough of him in present conditions. Those of him "in our midst" in this period are lucky. May they thrive and flourish.—New York Tribune.

The Oregonian says: "The public takes little interest in the wrangling of detectives over the apportionment of the award offered by the O. R. & N. Co. for the arrest and conviction of the man who wrecked its train near Celilo a few days ago. While it is desirable that justice be done, as no doubt it will be, the fact that the train-wrecker has been apprehended and will suffer the penalty for his atrocious crime is the point upon which general interest centers." But has the train-wrecker been apprehended? That is the question. Kidd may have placed the nut on the track, but no man who has ever talked half a minute with this man would believe him on oath. Kidd is a moral degenerate; a smart, intelligent scoundrel, who has no more moral sense than an African gorilla.

The Astoria News got mad when it heard of the verdict of Benham and Ramsey in the Schley case and proceeded to call them donkeys, asses, tools and knaves, and villains. These are strong terms and, possibly, not choice, but they come pretty near expressing the sentiment of lots of people.

An exchange suggests that one of those islands in the south Pacific that has a habit of sinking out of sight without warning would be just the place to put the anarchists.

PERSONAL MENTION.

Grant Mays is in the city from his stock ranch in Crook county. John Minto arrived here today on his regular round of duty as deputy collector of internal revenue. Attorney A. C. Palmer, of Prineville, was in town last night on his way home from Portland where he was a witness in the Oregon King Mine case. Clarke & Falk's favoring extracts are the best. Ask your grocer for them.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boesche's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Played Out.

Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores are all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley, the druggist.

He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents. 4

Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. Clarke & Falk's P. O. Pharmacy.

Attractive Women.

All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tell the tale of sickness all too plainly. And women today know there is no beauty without health. Wine of Cardui cures women with beauty and attractiveness by making strong and healthy those organs which make her a woman. Try Wine of Cardui, and in a month your friends will hardly know you.

Food Changed to Poison.

Putrefying food in the intestines produces effects like those of arsenic, but Dr. King's New Life Pills expel the poisons from clogged bowels, gently, easily but surely, curing Constipation, Biliousness, Sick Headache, Fevers, all Liver, Kidney and Bowel troubles. Only 25c at G. C. Blakeley's drug store. 4

Don't Let Them Suffer.

Often children are tortured with itching and burning eczema and other skin diseases but Bucklen's Arnica Salve heals the raw sores, expels inflammation, leaves the skin without a scar. Clean, fragrant, cheap, there's no salve on earth as good. Try it. Cure guaranteed. Only 25c at G. C. Blakeley's drug store. 4

Don't Rub It In.

Just wet the affected part freely with Mysterious Pain Cure, a Scotch remedy, and the pain is gone. Sold by Clarke & Falk.

To Stop a Cold.

After exposure or when you feel a cold coming on, take a dose of Foley's Honey and Tar. It never fails to stop a cold taken in time. Clarke & Falk.
