

YOUR NEIGHBOR'S HOUSE.

Your neighbor is just as good as you are. Your neighbor is no coarser, commoner, or more vulgar than you. Your neighbor is just as truthful, just as honest, just as sincere as you, and is possibly not half as big a lying gossip as you are. Your neighbor is just as religious, just as virtuous and in every way just as good a citizen as you and has just as much right to inhabit the earth as you. Your neighbor has a right to eat his pie with a fire shovel if he likes; has a right to attend church or stay at home, just as he likes; has a right to punish his children, go a fishing on Sunday, smoke a pipe, keep his face clean, or do lots of other things, and it is none of your business; and you are not appointed, elected or chosen to set yourself up to judge him or his. You and your neighbor are made of the same mud; live in the same sunshine, and as long as he attends to his own business you should attend to yours and when you set yourself up to gossip about your neighbors, or scold at others, just because you can find somebody to listen to your hypocritical criticisms, you simply advertise yourself as a three-story idiot. Stop lying about your neighbor; stop speaking unkindly of anyone; attend to your own business, while your neighbor is attending to his, and your chances of wearing a crown will be greatly improved. The hypocrite, the vile gossip and the assassins of character will all burn together; and if you don't want to burn with them stop lying about your neighbor.—Eldorado Republic.

Manufacture of wire nails has passed into a troubled era, wherein the trust is sorely aggrieved. When first organized, this self sufficient trust was very defiant. But few competing plants existed and these seemed to be under the shadow of the gigantic combine effected. But other plants were built by men seeing a profit in the business. They began cutting prices, which conduct was ignored by the trust. At the great profit to be made in the business, other plants quickly sprang up, and further reductions were made in prices. At least the trust was forced to meet the competition, and now realizes that the independents are capable of supplying 75 per cent of the trade, with prospects of being able to meet all requirements within another year. Prices are going down rapidly now, and it is expected that wire nails may be had for about \$1.50 per keg before a great length of time. This is the hope for the trust problem. Whenever an industry is incapable of absolute monopoly, such as the Standard Oil people have been able to maintain, trust conditions will have many serious struggles with competition.

It leaked out last night, and THE CHRONICLE only heard it through one of those mysterious providences that sometimes inscrutably cross life's pathway, that The Dalles commercial club had an election Tuesday night which lasted ten minutes by the watch and resulted in the re-election of N. Wheelon for president, Jno. S. Schenck for treasurer, and Max Vogt for secretary. Joe Worsley, Fred Houghton and Pete Laughlin were chosen as directors to succeed Fred Van Norden, L. A. Porter and E. O. McCoy. The administration of the present executive officers has been successful in placing the club in a comfortable financial condition and out of debt.

Ireland continues to hold the European record for low percentage of crimes. The Irish laugh and the Irish joke are great safety valves for

impulses which are often dangerous when repressed.—Chicago Post.

It bodes no good for Ireland that the king and queen should be obliged to defer a visit to the island because of the disturbed state of the country.

Women and Jewels.

Jewels; candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boecher's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Played Out.

Dull Headache, Pains in various parts of the body, Sinking at the pit of the stomach, Loss of appetite, Feverishness, Pimples or Sores are all positive evidences of impure blood. No matter how it became so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Blakeley, the druggist.

He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. G. C. Blakeley will guarantee satisfaction or refund money. Only 50 cents. 4

Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. Clarke & Falk's P. O. Pharmacy.

Attractive Women.

All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tell the tale of sickness all to plainly. And women today know there is no beauty without health. Wine of Cardui cures women with beauty and attractiveness by making strong and healthy thro organs which make her a woman. Try Wine of Cardui, and in a month your friends will hardly know you.

Food Changed to Poison.

Putrefying food in the intestines produces effects like those of arsenic, but Dr. King's New Life Pills expel the poisons from clogged bowels, gently, easily but surely, curing Constipation, Biliousness, Sick Headache, Fevers, all Liver, Kidney and Bowel troubles. Only 25c at G. C. Blakeley's drug store. 4

Don't Let Them Suffer.

Often children are tortured with itching and burning eczema and other skin diseases but Bucklen's Arnica Salve heals the raw sores, expels inflammation, leaves the skin without a scar. Clean, fragrant, cheap, there's no salve on earth as good. Try it. Cure guaranteed. Only 25c at G. C. Blakeley's drug store. 4

Don't Rub It In.

Just wet the affected part freely with Mysterious Pain Cure, a Scotch remedy, and the pain is gone. Sold by Clarke & Falk.

To Stop a Cold.

After exposure or when you feel a cold coming on, take a dose of Foley's Honey and Tar. It never fails to stop a cold if taken in time. Clarke & Falk.
