THE CATHOLIC FAIR.

The second evening much more successful than opening night.
The second night of the Catholic fair was much more of a success than the opening evening, owing to the increased attendance, a more extended program and a better arrangement of affairs than on the opening night.
Voting on the various prizes has fairly begun and the innumerable beautiful articles which are being offered for sale and raffle are being rapidly disposed of. "The Monte Carlo Booth" seems to be the favorite department in receiving the patronage of all present, while Aunt Sally's clay pipe and the "nigger babies" receive the harshest treatment imaginable from all present, since there is no one who does not pride himself on being able to throw straight. The other departments are also most liberally patronized.
Last evening's program was exceptionally fine and was well received. The opening number was a duet, "Rough Riders," by Mrs. J. S. Fish and her daughter, Miss Genevieve, which well merited the applause and encore it received. The vocal duet by Miss Irene and James Flynn was beautifully rendered and also well received, while Mrs. N. J. Sinnott's singing of "The Holy City" was beautiful in the extreme, and the encore was responded to by her singing the charming old selection, "Ben Bolt."
The program for this evening bids fair to be more extended and of as high an order of excellence as it was the past two evenings.

Liberty Street Sewer Ordered.

A special meeting of the city council was held last night at which the following resolution was passed by the unanimous vote of all the councilmen present: "Resolved that it is hereby determined to establish, construct and relay a sewer system on Liberty and Second street for that part of Dalles City lying below the bluff and bordering on and adjacent to said Liberty and Second streets, and which is benefitted by said proposed sewer, beginning at the bluff 50 feet immediately south of Sixth street and running northerly on Liberty on the line of the present sewer now therein to the middle line of Second street, to the west line of Union street running thence on a curve to the left of and connecting with the Union street sewer at the north line of Second street in the center of Union street. And it is hereby further determined that the cost of said sewer shall be assessed against the property benefitted thereby, and the recorder of Dalles City is ordered and directed to give notice of this determination and of the establishment of said sewer, by publishing a notice thereof in THE DALLES DAILY CHRONICLE newspaper, for a period of fourteen days, as provided by law, which notice shall specify the nature, location and extent of said sewer as herein set forth."
The petition of Frank Kramer for the opening of a street in the neighborhood of Kramer's addition, was referred to the committee on streets and public property, to report at the next regular meeting of the council.
The Voting at the Fair.
At the Catholic fair last night the winning ticket for a set of beautiful lace curtains was drawn by William Kollus, of Hood River.
The vote on the silver-mounted gavel, for the most popular fraternal order, stood at noon today as follows: Eagles, 100; Red Men, 75; Artisans, 10; Elks, 10; Foresters, 45; Maccabees, 5.
The vote on the chafing dish, for the most popular young lady, stood as follows: Prudence Patterson, 12; Elsie Carey, 8; Melvia Dawson, 20; Mamie Helen Flynn, 17; Edith Fisher, 16; Mrs. Joe Bonn, 8; Annie O'Brien, 12; Lillie Seufert, 10.
The vote on the Elk's pillow, to be given to the most popular Elk stood as follows: J. A. McArthur, 80; E. O. McCoy, 5; H. Liebe, 7; E. Walther, 15; Will Vogt, 30.

Told by Pain
If you have pains you should look after them quickly. Pain shows something is wrong. The sharper the pain the more danger there is in delay. There are thousands of women to-day who are bearing awful pain almost continually, rather than tell a physician about the shooting pains in their lower abdomen, about the agony of falling of the womb and the distress of leucorrhoea. They let the months pass and their trouble becomes harder to cure and more distressing. But modest women can secure exemption from the embarrassment of a private examination. When pain tells them of danger they can cure themselves by the use of
WINE OF CARDUI
in the privacy of their homes. You can be cured without distressing publicity. With these facts before you there is no reason for the delay which is increasing your misery and wasting the days of your life. Why not stop the pain today?
Belton, Miss., March 9, 1900.
I have used one bottle of Wine of Cardui and one package of Theodor's Black-Draught. Before I began to take your medicine I had pains in my back, hips, lower bowels and my arms. Sometimes I thought I would go blind. My head ached and I was so weak I could hardly walk across the floor. Now I can only feel a little of the pain in my side and I am going to use your medicine until I get cured, for I believe they will certainly cure me. I have been married twelve years and am the mother of seven children. I thank you for your wonderful medicine and what it has done for me.

Located by Vision.
Portland, Aug. 10.—(To the Editor).—Homer de Morrison, oculist, located by vision the bullion stolen from the Selby Smelting Works. In behalf of oculist science he immediately communicated by letter the facts to Mr. A. J. Balton, owner of the Selby Works. The reports received last night prove his statements correct.
MRS. FRANCIS FAREWELL.
"It is pleasing to be assured that the gold stolen from the Selby Smelting Works was 'located by vision' by a Portland oculist. This proves that the story of the confession of the thief and that his assistance was required in recovering the gold was a bona fide California invention for the purpose of deceiving Oregon of just glory."—(Editor Portland Oregonian.)
