

POLITICAL POT POURRI.

Still the republican gubernatorial bouquets are being passed around. The Hon. H. W. Corbett, of Portland, is the latest Oregonian to be announced as a candidate to succeed Governor Geer. If any one has been overlooked in the distribution of these bouquets they will please hold up their hand.

In a long editorial of the Eugene Journal contrasts the conditions of four years ago with those of today and says: "But times were out of joint then and dissatisfaction and fault-finding prevailed. A cow would not sell for more than one-fourth as much as now and people were not more than one-fourth as good natured and generous. Even the present governor, who has rescued the stove foundry from a disastrous failure to a howling success, was then keeping the columns of the leading newspaper of the state hot with his 'Hop Picker' articles, furiously attacking Governor Lord for receiving 'unconstitutional salaries,' but now he draws the same 'unconstitutional salaries' without a word of protest. Governor Lord recommended that the office of state land agent be abolished because all the work required of that office had been completed, but Governor Geer demanded that the office should be continued with an increased salary and traveling expenses added and it was reluctantly permitted by the legislature."

It is not believed a Simon man can be nominated on the legislative ticket in this county, says the Salem Sentinel. Even the campaign has abroad in the land thus early. His first break in the subsidized press was in the formal announcement that Senators Looney and Fulton were doing all they could to aid in the renomination of Geer? The mouthings of the subsidized press are not carrying any weight, however. Neither has Supt. Jones, of the state blind school, been able to do Gov. Geer any great service in his "Statesman." This may be owing to the Forl-Orbett influence, which seemeth not inclined to pay any great heed to the wishes of a minority stockholder. But be that as it may the influence of the morning paper cuts but a very small sphere of congealed water. Even the great Oregonian is silent on the subject. It is landing neither Geer nor Simon. It is however, raking Simon methods fore and aft. The state press is practically a unit in opposition to Simon, and in view of the Simon-Geer combine it is not difficult to read between the lines a hostility to Geer.

A run up and down the streets of Salem on any fine afternoon—especially if it be a Saturday—would prove sufficient to convince every one that an election is approaching, says the Salem Sentinel. Yes, things are warming up. Candidates who have not openly announced themselves are in the hands of their friends and it is a safe guess that from this time on it will be a merry race for preferment at the county, district and state conventions. As yet the activity is confined to the republican party. This is owing to the demoralization existing among the ranks of the opposition through the fusion program of the past few campaigns. Of course the further fact that a regular republican nomination is practically equivalent to election augments the momentum of the republican candidates in their race for nomination. A few surface indications not only show the direction of the wind, but they point to foregone conclusions. Prominent among these is the refrigerator atmosphere surrounding the Geer-Simon twin candidacy. The enthusiasm is cooler than luke-warm. Conservative judges of existing conditions and close calculators of things to be give it as their opinion that neither Geer nor Simon, nor the two-headed combination in conjunction, will be able to carry Marion county. It is even doubted if they can carry even so many as one-fourth of the precincts of the county. It is not unusual to hear it said they will not carry one precinct.

Brain Food Nonsense.
Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable medicine at Blakeley's drug store. Get Green's Special Almanac. 1

Your Face
Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley, the druggist.

An Evangelist's Story.
"I suffered for years with bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For croup it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. Clarke & Falk's P. O. Pharmacy.

If you want to retain your hair you have to keep your scalp clean. Soap will make your hair harsh, dry and crispy. Now we have two of the very best preparations for cleansing the scalp—Egg and Pine Tar Shampoo. It will leave your hair soft and glossy. It is the best salve on the market." Sure cure for piles, sores, burns. Beware of counterfeits. Clarke & Falk's P. O. Pharmacy.

Notice of the Construction of a Proposed Sewer.

Notice is hereby given that the Council of Dalles City did on the 18th day of December, 1901, by resolution duly adopted, determine to construct and relay a sewer for that part of Dalles City lying below the bluff and bordering on and adjacent to Liberty street and Second street, and which can be benefited by said proposed sewer.
That said sewer shall be of terra cotta pipe, and the extent and location of which shall be as follows:
Said sewer shall begin at the bluff 50 feet immediately south of Sixth street and running northerly in Liberty street in the line of the present old sewer now therein to the middle line of Second street, running thence easterly along the center line of Second street to the wall line of Union street, running thence on a curve to the left and connecting with the Union street sewer at the north line of Second street in the center of Union street.
And it is determined by the said Council that the cost of said sewer shall be assessed against the property benefited thereby.
The notice of this determination is hereby given by fourteen days' notice thereof, published in the Dalles Daily Chronicle, a newspaper published in said Dalles City, Oregon, which notice is given by order of the Council of Dalles City, which order was made on the 18th day of December, 1901.

J. DOHERTY, Recorder of Dalles City.

Jewels, candy, flowers, man—that is the order of a woman's preference.
Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boechae's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. C. Green's reliable medicine at Blakeley's drug store. Get Green's Special Almanac. 1
