Government of the Philippines.

Perry Rothrock, a young Klickitater of the Hartland neighborhood who is now practicing law in Manila, P. I., writes to the Goldendale Agriculturist as follows:

"When I came down here I was hardly an expansionist, as I had an idea that this people were able to govern and manage their own affairs better than any other people could for them; but I am now as strong an expansionist as far as these islands are concerned as anyone can well be. With all the mistakes, even, if you please, fraud and corruption that may and perhaps will inevitably creep into the administration of the Americans from time to time in the management of the islands, I am firmly convinced that it will be tenfold better for the great mass of people than any government they could devise for themselves unaided by us."

The Agriculturist adds that Mr. Rothrock bases his opinion not on any advantages that may result to the United States from the control of the islands, but on the condition of the masses of the people there as the result of the old system; on the indifference of the rulers to the sufferings of the poor; on the belief that the laborers are more kindly treated even by the Spaniards than the people of their own race; on the weary delays of justice which have confined men in jail for one to three years at hard labor while waiting trial on charges of petty theft. He has not formed his judgment with the Pacific Ocean between him and the islands; he has studied the conditions among the Filipinos themselves.

A Tennessee Romance.

One, to be transported among the most romantic Southern scenes, has only to see the production of "A Romance of Coon Hollow," which will hold the stage at the Vogt Opera House, Dec. 30th.

Here, mirrored by nature, in beauty and quaintness, are given pictures of life in old Tennessee. It is a story of love and jealousy, told in a graceful way, and given realism by stage effects that are reflections of everyday life in the South. Among the scenes are a plantation cotton press in operation and a moonlight revelation of the famous glen, Coon Hollow, with electric and lime light effects in which the firebugs flit through the trees and the night birds sing among the branches. Another night view depicts the historic Mississippi river boat race between the Robert E. Lee and the Natchez, both brilliantly lighted and under full steam. On the levee a group of darkey boys and girls troop down to see the great boats pass and, while waiting, indulge in jubilee singing, and buck and wing dancing. A well selected company, headed by Lola Pomeroy, will appear in the production, which is now in its eighth season of success.

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aid digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. Blakeley, the druggist.

An Evangelist's Story.

"I suffered for years with bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For cramp it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. Clarke & Falk's P. O. Pharmacy.

Notice of the Construction of a Proposed Sewer.

Notice is hereby given that the Council of Dalles City did on the 18th day of December, 1901, by resolution duly adopted, determine to construct and relay a sewer for that part of Dalles City lying below the bluff and bordering on and adjacent to Liberty street and Second street, and which can be benefited by said proposed sewer.

That said sewer shall be of terra cotta pipe, and the extent and location of which shall be as follows: Said sewer shall begin at the bluff 30 feet immediately south of Sixth street and running northward in Liberty street in the line of the present old sewer now therein to the middle line of Second street, running thence easterly along the center line of Second street to the west line of Union street, running thence on a curve to the left and connecting with the Union street sewer at the north line of Second street in the center of Union street.

And it is determined by the said Council that the cost of said sewer shall be assessed against the property benefited thereby.

The notice of this determination is hereby given by fourteen days' notice thereof, published in The Dalles Daily Chronicle, a newspaper published in said Dalles City, Oregon, which notice is given by order of the Council of Dalles City, which order was made on the 18th day of December, 1901.

Dated at Dalles City, Oregon, this 19th day of December, 1901.

J. DOHERTY, Recorder of Dalles City.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Roache's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. C. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1
