

The Indianapolis Sentinel has been devoting itself to statistics with some curious and interesting results. It has been figuring on the chances a boy baby has in this life, and when one studies the results there may be an inclination to conclude that the opportunities for greatness are not so numerous as the ambitious young American has been led to believe.

The annual report of the superintendent of the dead letter office shows that people have not become less careless in using the mails as a means of forwarding valuables and letters. During the last year the dead letter office received nearly 6,000,000 unclaimed letters alone.

At the end of his administration President Roosevelt will have one of two impossibles to face. Either it will be impossible to nominate and elect him or it will be impossible to defeat him. In neither case will there be any uncertainty.

The announcement that the sleeping cars to be run on the great Russian Trans-Siberian railway are to be built in the United States shatters the last hope of the public finding relief from the Pullman porter and his ever present tip.

White Man Turned Yellow.
Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured."

Health and Beauty.
A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove.

Attractive Women.
All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tells the tale of sickness all too plainly.

\$25 REWARD.
We will pay \$25 reward for the arrest and conviction of any person trespassing upon the football park, molesting or destroying the fence. Small boys who have been digging holes under the fence are liable to arrest and are included in the above.

Saved His Life.
"I wish to say that I owe my life to Kodol Dyspepsia Cure," writes H. C. Christenson of Hayfield, Minn. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all."
