The Wapinitia Plains Commercial

club met at the school house Saturday night, April 2, for its regular monthly meeting, with J. S. Brown, president and N. G. Hedin secretary, in charge. Many things of interest to this section were taken up and discussed. But the road issue was the main question before the people. Lou Kelly, county commissioner, from Maupin, and R. E. Wilson, one of Maupin's merchants, were present and told the club of the present road program of the highway commission. The club voted that a petition be drawn and circulated, asking the county court to open up a new road up McCubbin's gulch, a distance of about four and one-half miles, to the edge of the forest reserve. From there the forest service will build a road to the new Bear creek springs road which was built by Mr. Graham last season. N. G. Hedin and Lou Kelly spoke, urging the bonding of Wasco county to meet the highway commission on a 50-50 basis for the construction of The Dalles-California highway through Wasco county. N. G. Hedin gave the club a splendid outline of the work being done by The Dalles-Wasco county Chamber of Commerce, and pointed out necessity of cooperation by the people of Wasco county. By unanimous vote the club indorsed The Dalles - Wasco County Chamber of Commerce and a call was made for members. About 12 signed up for membership, and Joe Graham, E. A. Hartman and R. W. Richmond were appointed a membership committee. N. G. Hedin was then elected as the director from this section to the chamber. A committee of three, consisting of Joe Graham, N. G. Hedin, and J. I. West was appointed to go before the county court and ask for an appropriation to build the McCubbin's gulch road. The appropriation asked for is \$5,400 which will be matched by the forest service. The total sum will be sufficient to connect this section with the new road near Bear creek, which road will connect with the Mt. Hood Loop road. N. G. Hedin urged the growing of farm products for the Tygh Valley Fair display. The next meeting of the club will be held in the Hill hall the first Saturday evening in May. Election of officers will be held. All who are at all interested in the building up of this section are invited to be present. The Flying Squadron of The Dalles-Wasco County Chamber of Commerce, consisting of Hallie S. Rice, L. Barnum, N. A. Bonn, John G. Odell, J. B. Kilmore, Charles Darnielle and E. F. Van Schoick, called here last Thursday afternoon and met with some of the people of this place. Owing to the short notice of their com-

ing only a small crowd was present. They went from here to Maupin.
