

# CONGRESS HEARS DRAMATIC PLEA FROM FILIPINO

Philippine Resident Commissioner Isuro Gabaldon

Washington. — "Must the heart of America beat only for the freedom of Ireland, of Poland and of the Czech-Slovaks, and not for the independence of the Philippine Islands?"

This was the question Resident Commissioner Isuro Gabaldon of the Philippines addressed directly to the membership of Representatives in a speech which was given very close attention and was frequently applauded.

"At one time," said Commissioner Gabaldon, "Congress had before it no less than thirty resolutions expressing sympathy with the aspirations of the Irish people, if not actually urging England to grant independence to Ireland. At that time, also the Filipinos were knocking at your door. Out of the womb of war, many European republics were born, and America has refused to uphold the same. And yet the claim of the Filipinos is still unheeded. Must there be exceptions, then, in international justice?"

"My plea, gentlemen of the American Congress, is that you ignore no longer the repeated requests of a deserving people for an independence that rightfully belongs to them. The granting of independence now affords the United States a golden opportunity to give to the world unanswerable proof of its sincerity, its consistency and its altruism. It will be the greatest example of square dealing in the history of the ages."

"Do not think we are not appreciative of all you have done for us. We are. America has truly treated the Filipino people as no other nation has ever treated an alien race in all history. The high points of the American policy in the Philippines have been consistently inspired by altruism. We know that you were actuated in your labors by the desire to contribute to our own welfare."

"And we love you perhaps most of all for your solemn promise to grant us that which we hold dearer than life itself—our freedom. Independence is our national ideal. It is our all absorbing aim. It grows stronger every hour. For the spirit of nationalism never dies. Much less can it be subdued. We believe that we can never hope to be a sturdy nation if we are to rely forever on the magnanimity of the United States."

"America's task in the Philippine Islands is finished. What you have assumed as your sacred obligation in that part of the world has been fulfilled. A people with a medieval system of institutions has been transformed into a conscious nation, imbued with all that is modern in the activities of nations. And if you give us independence our gratitude to you will increase a thousand fold; it will last forever if you keep faith with us."

"There is but one issue in the Philippine question, and that is: Is there today a stable government on the Islands? In the Jones law you promised independence upon the establishment of such a stable government. Your own Governor-General has officially reported that there is a stable government in existence today, and we also have submitted plenty of evidence to substantiate its existence. Therefore, we hope and expect America will now carry out its pledge."

## HUGGINS' WRECKING CREW THE CLASS

Is "The Little Corporal" going to dominate again—this time in baseball instead of world affairs? Miller Huggins, the diminutive leader of the New York Yanks, has an army of ball players which threatens to make Tris Speaker's Cleveland champs go the limit to win.

## RAIN IS BLAMED FOR MATRIMONIAL VENTURES

By United Press  
CHICAGO, April 6.—"Night's the time for wooing, oh!" said a well known Scotch authority.

But L. C. Legner, in charge of the Cook county marriage license bureau, has another version. "When it's rainy and the fog settles down over the old town, why people just naturally get lonely," said Legner, "and they dream of cozy flats and fire places, slippers and homemade biscuits—they want to love and hold hands."

"So one rainy day we issue many more marriage licenses than when the sun is brightly shining."

Dan Cupid is still as active as ever this year but marriage licenses are falling off, according to Legner. High rents, the employment situation, or "something else" is the cause. Legner doesn't quite know.

Last year 42,503 couples were married in Cook county. The A. E. F. got married in 1920. But now most of the war romances have gone on the rocks or the participants are married. But 1921 is going to be a bad year for weddings.

"This marriage license window is an excellent barometer for the country's economic condition," added Legner.

Cupid's agent, however, denied that romance is waning and that people aren't lovin' any more.

"One can be in love and not get married," he explained. Dispatches here from other cities of the United States reflect a similar condition. People are putting off their weddings until the jobs look safer.

## DRESS WARM AND KEEP FEET DRY

Tells Rheumatism Sufferers to Take Salts and Get Rid of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. It is not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts' is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.

# CHRONICLE CLASSIFIED ADVERTISEMENTS

## FINE HAT MAKING A PHILIPPINE ART

This Filipino is making a Philippine hat, which is becoming quite popular with both men and women in the United States, and is usually a source of great pride to the wearer.

## FILIPINO INDEPENDENCE, BUT NO GUARANTY

(Chicago Tribune.)  
We do not blame the Filipino people for wanting their complete freedom. It is the natural aspiration of mankind.
