THE GREAT DEVELOPER

With a view to securing \$5,000 to
maintain the Y. W. C. A. in The Dalles
the ensuing year, a campaign has
been launched. Solicitors are now
busy canvassing The Dalles alert for
subscriptions.

Of course things are a bit slow now.
Your business perhaps isn't showing
the profits it did a year ago. Your
wages may have been reduced. Your
rent and fuel and general expenses
for the most part may be as high as
during the stressful days of wartime.
But sit down and consider this prob-
lem carefully before you turn down
the chance to build the girlhood of
America into high type women.

Only as we have good and talented
and wholesome women can we hope
to perpetuate the race in goodness
and cleverness and wholesomeness,
and only as we train girls to be
wholesome and loyal and true and
sweet of disposition can we hope to
people the world with good women.
Thus, the prime factor in making the
world good is girls.

The Y. W. C. A. has the noble re-
sponsibility of making our girls good
women.

No, the Y. W. C. A. is not a preachy
organization and a girl does not have
to be a puritanical prude to be a
member. Indeed if she were that type
she wouldn't be very popular with
the Y. W. C. A. members.

The Y. W. C. A. doesn't preach ser-
mons to the girls to make them good,
but subtly, it impresses goodness up-
on them by holding constantly before
them their worthwhile pursuits. Music
and art and literature are empha-
sized. Love of the beautiful is instilled.
Social organizations formed within
the Y. W. C. A. give the girls sane
interest in life and impart to them
certain polish and ease in mingling
with others. These organizations de-
velop to rare degree the art of con-
versation and stimulate the power to
think concentratedly and effectively.

One thing the Y. W. C. A. does
which few organizations strive for is
the leveling of class lines. Girls of
all stations in life are banded together
in the club organizations. The girl
working in a store meets the girl
working in a factory and the girl
working in an office meets the social-
ly prominent girl. They find after all
that they think and act much the
same. Through being thrown together
they come to respect each other and
lo, class distinctions are straightway
smashed.

Stated briefly, the object of the Y.
W. C. A. is to give girls and women,
through normal natural activities, the
habits, insights and ideals which will
make them responsible and capable
and ready to help make America more
true to its best hopes and traditions.

The code of a girl reserve very well
expresses the aim of this club of the
Y. W. C. A. and all Y. W. C. A. clubs.
The code reads:

"A girl reserve I will be, gracious
in manner, impartial in judgment,
ready for service, loyal to friends,
reaching toward the best, earnest in
purpose, seeing the beautiful, eager
for knowledge, reverent to God, vic-
torious over self, ever dependable,
sincere at all times."

These are the tenets of the Y. W.
C. A. Would you like your girl to ex-
emplify them? Would you want to

marry a girl who stood for these
things? Would you be happy to know
that your mother was such a one?

The Y. W. C. A. stands for develop-
ment of health, knowledge, service
and spirit. A sound body, a trained
mind, a sense of social responsibility
together with a vivid understanding
spirit which gives color and balance
to life are the outstanding features.

American womanhood is the back-
bone and fiber of this land. The Y. W.
C. A. is out to develop a high type of
American womanhood. You may not
be able to subscribe to the movement
in The Dalles to build women of
high type, but can you afford not to
give?

Think it over. Yes, there's a lot of
drives. You've been driven to death.
When will it all end? But—our girls
must be trained to be pure and good
and true and loyal. The Y. W. C. A.
is doing just this. Have you a dollar
to further the work of building char-
acter and mind and body?

ROUGH ON BOYS

Alas, it is a cruel world for the
small boy. The price of soap is coming
down. The James S. Kirk company
has announced reductions in the
cleansing material ranging from 7
to 15 percent.

No longer can the small boy whine
at his paternal ancestor, "there ain't
no soap, how can I get my hands
clean." And no more will friend
father be prompted to seize his young
hopeful firmly but lovingly and dem-
onstrate to his offspring's entire sat-
isfaction that much rubbing with wa-
ter alone will do much toward effacing
the grime acquired by a day of hard
play.

Soap is coming down in price. It
may soon be used without stint. Con-
sequently the small boy will have to
keep clean. His last excuse has van-
ished.

Henceforward the small boy can get
small pleasure out of the phrase that
cleanness touted as being next to
godliness is now next to impossible.

The Best Big Sister

LOOKING BACKWARD

(From The Chronicle, April 13, 1896)
The Kennedy property was sold
this afternoon to Frank Menefee for
\$1,376.

Mr. James McKay of Portland is
in the city and will remain about a
week. Col. Sinnott introduced the
venerable-appearing gentleman first
as Gov. Pennoyer, but when Mr. Mc-
Kay and the reporter both protested,
the colonel said he was just joking,
the fact really was that Mr. McKay
first piloted Lewis and Clarke down
the Columbia river in 1802. The
Chronicle man then appealed to Dr.
Shackelford, who said Mr. McKay
was an old resident of The Dalles 40
years ago, and was among the first
boat-builders on the river. He yet
owns property in this city, and the
purpose of his trip at the present time
is to make some improvements.

Among them will be a gravel roof
for the Clarendon restaurant. Here
the incorrigible colonel again inter-
posed and said Mr. McKay purposed
to erect a new brick block where
Cross' grocery store is, but the re-
porter fled, his last glance resting on
the colonel's old friend raising both
hands in speechless expostulation.

Sheriff Driver went to Portland this
afternoon.

Mrs. J. L. Story left for Portland
today on a week's visit to her sister,
Mrs. A. L. Lind.

The Rev. J. H. Wood was unable to
preach last night, owing to a bad cold.
He has improved somewhat today.

Mrs. Whittaker, a colored woman
quite well known in the city, is very
ill of dropsy, and it is believed that
she cannot live.

Miss Mary Aquia is recovering
from an attack of intermittent fever,
which has confined her to bed for a
week or more at the ranch near
snipes.

Mrs. H. W. French, Miss Bessie
French and Miss Almee Newman re-
turned today from Portland, accom-
panied by Miss Pearl Williams, who
will visit in this city.

trade on new Dodge Brothers cars.
These cars are now in our repair
shops and should be ready for sale
within a few days. At this time we

our costs have not been figured, but
it will pay you to investigate these
cars as the prices and terms will be
right.

Your Balance At The Banker's

No young man can afford to forget that a sub-
stantial balance at the bank does much to sway
the balance of other people's opinion in his
favor.

When you carry a Checking Account at this in-

A WOMAN'S BACK
The Advice of This The Dalles Wo-
man is of Certain Value.

Many a woman's back has many
aches and pains.
Ofttimes 'tis the kidneys' fault.
That's why Doan's Kidney Pills are
so effective. Ask your neighbor.
Many The Dalles women know
this.

Read what one has to say about it:
Mrs. John Youghar, 215 W. 7th St.,
The Dalles, says: "Some time ago
my kidneys were in a weak con-
dition and I became run down so I
could scarcely keep going to do my
work. My back ached awfully and I
was so weak I could hardly walk a
block. Dizzy headaches made me
miserable and the action of the kid-
neys was varied and irregular. I
read of Doan's Kidney Pills and
used them. They helped me right
away by strengthening my back and
kidneys and benefiting me in every
way."

Price 60c. at all dealers. Don't
simply ask for a kidney remedy—get
Doan's Kidney Pills—the same that
