

NEWS NOTES

Miss Bonita Kirk went to Eugene today to attend the Phi Delta Theta fraternity formal. She will visit friends in the state university city for a week or 10 days.

Coleman Buys Buick—G. L. Coleman, county jailer, is today riding in a brand-new 1921 Buick, purchased from The Dalles Buick garage. This makes the third Buick purchased by Coleman in three consecutive years.

Norwegian Scenery Slides Show—A collection of beautiful views of Norwegian scenery was shown at the East Hill school yesterday afternoon. The slides are the property of the state university. The stereopticon was operated by The Rev. John Bogue, while Mr. Tallman, principal of the school, read the descriptions.

To Discuss Macadamizing Road—The county court and members of Chenoweth grange will meet tomorrow night in the Chenoweth grange hall anent the macadamizing of the Chenoweth road. Some 185 voters of district No. 8 have signified their intention of working against the \$800,000 The Dalles-California bond issue unless the county court makes good oral promises to macadamize the Chenoweth strip, say grange members.

Paving Bond Interest Due—Mrs. Mabel C. Ellis, city treasurer, is worried. For she has money in the city treasury which is due to a number of persons in The Dalles and those persons have not appeared to present their claims. The money in question is the interest on paving bonds, bought by a number of local investors. The interest-bearing coupons, exchangeable for cash at the city treasurer's office, matured March 1. Very few of the bond holders have presented their coupons, however, according to Mrs. Ellis.

Amity Club Raises Big Sum—The public market recently conducted by the Amity club, for the purpose of realizing funds for the local Y. W. C. A. drive, resulted in a total contribution of \$214.07, derived entirely from the various departments of the market, according to figures announced today. In addition to this sum, the Amity club's candy sale brought in \$10.50, which was also donated to the Y. W. C. A. fund. The Y. W. C. A. benefit show, staged at the Empress theater under the direction of Miss Harriet Schrum, an Amity club girl, resulted in a \$102 fund which was added to the Y. W. budget fund.

Swimming Tank Opened—The swimming tank at the high school building has been cleaned, filled and heated for both pupils of the school and the general public, Tuesday and Thursday evening of each week the tank will be open to the public under the general direction of Community Service. Owing to a lack of school funds to meet the cost of cleaning and heating, it will be necessary to make a nominal charge to the public for use of the tank. The Community Service executive board at a meeting held last night fixed the fee at five cents for children and 10 cents for adults. Evening classes will start at 7:30, continuing to 9:30 o'clock.

Community Luncheon, Thursday—The regular semi-monthly community luncheon meeting will be held at the Y. W. C. A. rooms Thursday beginning promptly at 12 o'clock. Mrs. Lu Lu D. Crandall will preside and the following speakers and subjects to be discussed will make up the program: "Our City Library," Miss Flora Carr; "Our Chamber of Commerce," E. F. Van Scholck; "Our Proposed Dalles-California Highway," speaker not yet selected; "Our Community Service as it Now Looks," J. T. Rorick; "Our Y. W. C. A. as it Looks After the Drive," Miss Helen Fair; "The City Churches in The New City Program," The Rev. W. H. H. Forsyth. The gavel will fall for adjournment on or before 1 o'clock. A snappy sing will precede the speaking.

One May Have Written Letter—Chief of Police Frank Heater today received a request for information as to the whereabouts of W. J. One,

local merchant who several months ago disappeared as completely as if the earth had opened and swallowed him, from a person signing his name as "M. J. Oblasser." The letter was written from Sells, Arizona. It states that the writer has heard of the disappearance of One and desires further information about the case. How the writer happened to hear of One's disappearance and what his interest in the case may be, are facts not divulged in the letter. Chief Heater is of the opinion that there is a possibility that the letter was written by One himself, wishing to find out if there are any charges against him in The Dalles.

LEGHORN LAYS EGG OF GIGANTIC SIZE

GREAT EGG LAID BY FRENCH HEN DWARFED BY COMPETITOR.

Ellis Parker Butler once wrote that "Pigs is Pigs," thereby establishing a precedent for the comparison of any two like objects. In The Dalles, any grocer will explain that "eggs is eggs," and that they are mighty cheap 'right now at that. But Mrs. Smith French and The Rev. G. K. Hartman contend that eggs are not just "eggs," but that some may be classed in the category of "super-eggs."

Yesterday Mrs. Smith French came forward with the announcement that she is the owner of a Rhode Island Red hen, which had presented her with an egg measuring six inches in circumference the small way around, and eight inches in circumference the long way.

True to the ultra-modern proverb that "somebody is always taking the joy out of life," The Rev. G. K. Hartman, this morning calmly announced that Rhode Island Red hens are not in it when it comes to laying big eggs. Although not wishing to belittle Mrs. French's hen or her efforts along large egg producing lines, The Rev. Hartman added that he has in his yard a White Leghorn hen which can show Mrs. French's Rhode Island Red cards and spades when it comes to laying eggs. In proof of this assertion, The Rev. Hartman has an egg measuring six and one half inches around the small circumference and eight inches around the large circumference, a grand total of half an inch larger than the Rhode Island Red hen's best effort, he declared.

For the benefit of any persons who are incredulous, The Rev. Hartman has the championship egg and hen in his possession at the present time and is perfectly willing to show them to all interested persons, he explained.

'ROUND COAST BASES

By United Press
SAN FRANCISCO, Cal., April 20—Yesterday's ball games failed to make any particular change in the aspect of the Coast league race, but they served to amuse the fans considerably.

Only two games were played. San Francisco beat Vernon at Los Angeles, 8 to 0, and Los Angeles beat Oakland at San Francisco, 4 to 2.

The Seals had all their fun with Vernon in the first three innings during which they made seven of their eight runs and most of their 14 hits.

The feature of the Los Angeles-Oakland game was the way ancient Doc Crandall let the Oaks down with four hits.

Sacramento and Seattle did not play, the teams having been on the road, and the Salt Lake - Portland game at Portland was postponed because the grounds were wet.

WATCHING THE SCOREBOARD

By United Press
Yesterday's hero: Meusel. The Philly outfielder biffed one for four bases in the eighth frame and the Brooklyn bunch lost their fifth straight game, 3 to 2.

Phil Douglas had a sore arm, but he worked out the kinks on the Boston Braves, beating them 9 to 1.

Cleveland scored nine runs in the seventh inning off the recruit, Holling, and beat the Tigers, 12 to 3.

The Pirates got 19 hits off two Cub pitchers and won 14 to 2.

Sam Rice got a home run, two doubles and a single, helping the Senators cut down the Athletics, 14 to 6.

Hank Severid made an error and saved the White Sox from a shut-out, the Browns winning, 4 to 1.

Rube Marquard was out-pitched by Jake May and the Cards beat the Reds 6 to 1.

What You Want and What You Get In.

Kuppenheimer —AND— Society Clothes
