**STELLAR RING CONTEST WILL CEMENT NATIONS**

By Webb Miller (United Press Staff Correspondent) PARIS, (By mail.)—"The fight between Carpentier and Dempsey will do more to cement Franco-American relations than a score of marriages."

This is a declaration of General Nivelle, recently returned from a tour of the United States, in an interview on sports and matrimony.

"Let us have international competition in sports between France and America," said the general, "but by no means intermarriage."

Nivelle painted a gloomy picture of the fate of the French girl who hitched up with an American. He said the commonplace life in America was not suited to the demoiselle used to the many little attentions bestowed upon her by Frenchmen. Likewise he burst the rumor that we are all rich.

"Let us have interchange of students between French and American universities," said he, "but by no means interchange of marital love."

Returning to athletics, Nivelle conceded that we had some pretty hefty fighters, but he thought in the Dempsey-Carpentier match superior brain would triumph over brute brawn. He forgot to mention who had the brain, probably on the assumption that his audience knew who possessed the brawn.

**SULPHUR CLEARS A PIMPLY SKIN**

Apply Sulphur as Told When Your Skin Breaks Out.

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to 'dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.—Adv.

It gives me great pleasure to announce that I have taken the agency for the well known

**J. E. TILT SHOE CO.'S. LINE OF MEN'S SHOES**

Most of you know already there is no better shoe made than the Tilt, and considering the extremely high standard of workmanship and materials, the prices are exceedingly reasonable.

Tilt shoes sell from \$9 to \$9.75 in the different leathers and lasts. I want every man in this city to see these shoes, that he may personally judge the fine quality and craftsmanship. I have a stock of Tilt shoes now in my store at Third and Court streets, opposite the city hall. Every pair is guaranteed. I also have cheaper lines of shoes, but I am sure you will be more than satisfied with the unusual values shown in this particular line.

In most places Tilt shoes are priced from \$2 to \$3 more than I am asking. Come in and let me fit you to a good comfortable stylish shoe.

RIGHT HERE WE WOULD LIKE TO MENTION—WE ARE STUDENTS OF PREVENTION!

**Milne's Little Plumber**

We guess that everybody believes that an ounce of prevention is worth a pound of cure. Of course you realize that if the plumbing at your house is put into the proper shape at this time some member of your household may not fall ill at some later date. Why not have that plumbing attended to at once?
