

NEWS NOTES

Garage is Overturned—A small garage, the property of Mrs. Millie Sutton, 1820 Jackson street, was mysteriously overturned by vandals last night. Mrs. Sutton reported to the police this morning. Fortunately the garage was empty at the time. Threats to move the garage had previously been made, Mrs. Sutton said.

Beavers Building Dams—Some 250 beavers are busily engaged in constructing dams on the Chenoweth creek ranch of W. G. C. Wood. The little animals have five dams completed and are now at work felling trees for a sixth. Their woodcraft ability is remarkable, say those who have viewed the work.

Bear-Cats Vs. Clansmen—Broer's "Bear-Cats" and Ross' "Clansmen" will cross bats in the third game of the April schedule of indoor ball at the high school gymnasium at 7:30 tonight. Captain Ross reports the signing of several high class tossers to assist his string of pastimers and promises to give the "Cats" the hardest game of the season.

Women to Swim—The Swimming tank at the high school will be open at 7:30 o'clock Tuesday night for women only. A competent instructor will be in attendance for those who desire instruction. A charge of 10 cents per person will be assessed. Entrance to the tank will be from the rear door of the building only. Dressing rooms will be provided.

To Attend Congregational Conference—The Rev. and Mrs. Ernest Goudge of the Congregational church, and Mrs. A. G. Allen left this afternoon for Portland to spend the first half of the week attending the spring association meeting of Congregational churches of the Portland district. The meetings will be held at the Atkinson Memorial Congregational church.

Pageant Expert Here—Mrs. Walter Rose of Portland is a visitor in The Dalles today. She was called to this city at the request of the Community Service pageant committee, to assist in the staging of a pageant in this city in the near future. Mrs. Rose directed the big pageant in Laurelhurst park, Portland, last year, which won nation-wide recognition because of its beauty and artistic presentation.

Dalles Wins Ball Game—Playing a snappy brand of baseball, the reorganized Dalles baseball team yesterday registered its first victory of the season when it defeated the fast Grass Valley nine, 8 to 2. With Woolsey on the mound and Lawrence on the receiving end, the locals were never in serious danger from the Grass Valley swats. Woolsey and Ganger were the feature hitters for The Dalles, each garnering a three-bagger in the ninth inning. Altogether the local players registered 11 safe hits, as compared with 6 bingled out by the Grass Valley men.

To Train Song Leaders—A class for the training of community song leaders under the direction of Mr. and Mrs. L. S. Pilcher of National Community Service will be inaugurated tonight at 8 o'clock in the rooms of the Y. W. C. A. This course may be taken by both men and women and those interested in community music and in the idea of starting a community chorus in The Dalles, are cordially invited to be present. A large chorus is contemplated for the pageant which is to be put on in May. Music for this event will be rehearsed during the next two weeks under the direction of Mr. Pilcher. There will be no charge for instruction.

Dalles Gunners Win Shoot—The Dalles Rod and Gun club registered its third successive victory of the season yesterday, when a 10-man team representing the local trap shooting organization defeated a similar team representing the Hood River Rod and Gun club, shooting at the local traps on the beach below the city. The Dalles team turned in a score of 403, as compared with the Hood River team's best effort, 327. The strong wind which blew intermittently throughout the morning seriously hindered good shooting, the clay birds going through all sorts of unexpected gyrations in the air after leaving the trap.

W. C. T. U. Organizer Coming—Mrs. E. B. Andrews, state organizer for the W. C. T. U., will be in The Dalles Wednesday. The regular meeting of the local W. C. T. U. has been changed from Thursday to Wednesday, to afford members the opportunity of meeting her. The Rev. Carl C. Walker will lead the devotional

services and The Rev. and Mrs. Walker will give a vocal duet. Professor R. L. Kirk, superintendent of city schools, will give an address on the subject, "How the W. C. T. U. May Assist the Teachers in the Public Schools." How the W. C. T. U. may cooperate with the work of the Y. W. C. A. will be the subject of an address by Miss Helen Fair, secretary of the latter organization. Roland Collins will give a solo, and there will be music by the high school quintet. Mrs. Andrews, whose home is in Oregon City, will conduct a round table discussion on W. C. T. U. subjects.

Mother's Day Club

A Secret Society of Brunswick Givers

May 8th—Mother's Day—is not far off. Already a great many sons and daughters have joined in this delightful conspiracy. A great many Mothers will be surprised on May 8th.

Part can be told, but not all. On Mother's Day she is to receive a Brunswick Phonograph (Model 112) and a special collection of Records chosen for the occasion. Also she is to receive—but that is part of the secret.

Mother's Day Club affords you the opportunity to honor Her in an unusual way, a lasting way, a way that brings constant pleasure. We musn't tell all about it here—that would be exposing the secret.

But we will be glad to tell you all about the details personally and show you the way to surprise her.

Also we won't tell here how easy we make it for you to give her this wonderful remembrance. But when you come in and hear the details, you'll be surprised at the liberality of the offer.

Do not delay—the time is short—to join early is part of the plan. So come in at once.
