"Grandma" Heitz is visiting at the home of her granddaughter, Mrs. S. H. Wilson.

The correspondent of the Maupin Times interviewed the management of the Wapinitia Irrigation company, concerning the rumor that Wapinitia Irrigation company desired to secure certain water rights on the north side of White river. N. G. Hedin, project manager, said that the company has no interest in any water or water rights north of White river in the Smock or Wamic districts. He added that the pending adjudication proceedings at The Dalles on April 20, 1921, is the customary and regular proceeding of the state engineer's office, through the superintendent of the eastern Oregon division, Mr. Cochran of LaGrande, and is or should be very much desired by all water users in the White river watershed. Any idle rumors to the effect that any activity on the part of Wapinitia Irrigation company or its representatives to take or interfere with any rights or the enjoyment or use of water, by the neighbors in Smock or Wamic are unfounded, malicious, and in every way deceptive and could only be started to serve other interests aside from the company or their northern neighbors.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c. F. J. CHENEY & CO., Toledo, O.

'ROUND COAST BASES

SAN FRANCISCO, Cal., April 28.—Rain played havoc with yesterday's Coast league baseball. Only two games were played and San Francisco and Vernon were the winners.

The Seals beat the Angels, 9 to 6. Fifteen Seal hits were responsible. Doc Crandall was the leading victim, but Ehenhart, who relieved him, didn't fare too well.

Vernon beat Oakland, 4 to 2, the Tigers treating the pitching efforts of Buzz Arlett in a most ungentlemanly manner.

Rain caused postponement of the Salt Lake-Seattle and Sacramento-Portland games.
